REWARD OF \$50.00

Space in RAILROADERS RECORD for information leading to the arrest and conviction of an IMPOSTER soliciting advertising in the name of the RAILROADERS RECORD SENIORITY Time Book.

Authorized representative will present up-to-date credentials of RAILROADERS RECORD SENIORITY Time Book letterhead bearing the signatures of the Publisher and local Representative, signed before NOTARY PUBLIC.

RAILROADERS RECORD SENIORITY TIME BOOK,

H. M. Stephens, General Chairman.

Each year there are outside fly-by-night promoters securing advertisements from your local merchants, but fail to give you, or most of you, a copy of the finished product. This practice is not only unfair to the advertisers, but reflects on the Railroad Companies and Railroad Brotherhoods in general, as in most cases they give the impression that they are affiliated with some Railroad Company or Railroad Brotherhood.

THE RAILROADERS RECORD SENIORITY TIME BOOK is independent of all Railroad Transportation Companies and Railroad Brotherhoods. It stands strictly on its own merits as an advertising medium, and its value to the Railroad Employees who use it.

H. M. STEPHENS, General Chairman,
93 North 24th St.,
San Jose, California.
