Our Ideal-

- To make well and to trade fairly.
- To profit not alone in dollars, but in the good will of those with whom we deal.
- To correct our errors.
- To improve our opportunities and to rear from the daily work a structure which shall be known for all that is best in business.

GOVERNOR

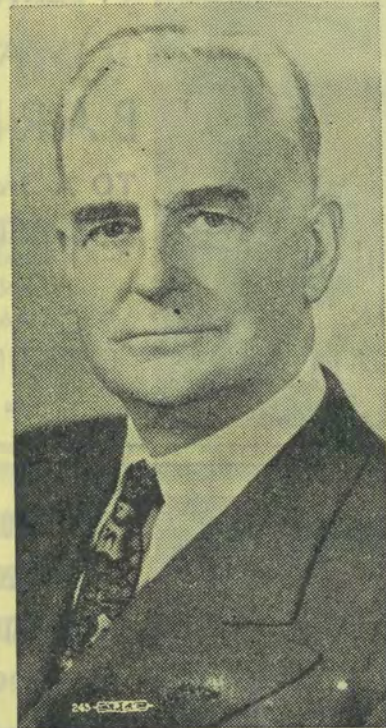

CHARLES

RUSSELL

For the first time in Nevada history, state employees now receive equal pay for equal work. This has been achieved through legislation requested and obtained by Governor Russell.
