SIGHTSEEING SALT LAKE CITY
Zion, the city of Saints, capital of Utah, founded in 1847 by the Mormon pioneers, who had trudged overland from Illinois, is a center of business enterprise, natural beauty and historic interest. It is notably well laid out, with wide, straight streets, shaded by poplars, catalpas and other deciduous trees, and bordered by running mountain water. Within the city what usually first is inspected by the visitor is Temple Square, containing the chief Mormon buildings—the Temple, Tabernacle and Assembly Hall, Adjacent to the square are the Beehive and Lion Houses, formerly the headquarters of Brigham Young, and the new Administration Building, The State Capitol Building, built of Utah granite and marble at a cost of \$2,500,000, stands on an eminence at the head of State Street, overlooking the city, and contains a museum of natural resources that is well worth visiting. Fort Douglas, U.S. Military Post, is located on the bench of the Wasatch Mountains, three miles east of the city, and can be reached by auto or electric car. The hour and a half interval between the arrival of Rio Grande No. 1, 12:30 Noon (Mountain Time), and departure of Western Pacific No. 1, 1:00 P.M. (Pacific Time), affords the through traveler an opportunity to visit the principal places of interest in Salt Lake City and enjoy the stop to the fullest extent.

PAIRED TRACK OPERATION
Between Weso and Alazon, Nev., tracks of the Southern Pacific and Western Pacific are used jointly. All eastward trains of both companies use Western Pacific track, Weso to Alazon, and all westward trains of both companies use Southern Pacific track, Alazon to Weso.

Western Portal of Gunnison Tunnel—Uncompahgre Project

The Uncompahgre Project, Colorado

This is one of the very first Reclamation Projects undertaken by the United States Reclamation Service. The land is privately owned, but the irrigation system was put in by the United States Government. A tunnel, six miles through the mountains, conducts the water from the Gunnison River to the Uncompahgre River. These irrigation waters are distributed to the irrigable lands by means of eight large canal systems from the Uncompahgre River, with numerous small laterals. The irrigation works are designed to irrigate 130,000 acres of land.

The soils consist of red sandy, gravelly, adobe and clay loams. The country is rolling with considerable slope to the west and north.

The mesas or upper bench lands are well adapted to alfalfa, grain and sugar beets. Here, also are grown very fine quality potatoes. Good apple orchards are yielding profitable crops and small fruits do well. The lower river bottom lands are peculiarly adapted to onions and other truck crops. Poultry and hogs do well in this entire district. It is destined to be an important live stock feeding center, using corn and barley grown in the district to finish for the market.

The climate is most desirable, not excessively hot in summer nor exceedingly cold in the winter.

Twenty-six schools serve the Project. Montrose, Olathe and Delta are established trade centers. It is a made country that now calls for more farmers and stockmen. Two creameries on the Project furnish a market for butterfat. Farm lands for lease or sale on most reasonable terms.

A Typical Farm Scene under the Uncompahgre Project

CHOICE OF ROUTES. Tickets reading via the D. & R. G. W. R.R., sold at Salida, Colo., or points east or south thereof, and destined to Grand Junction, Colo., or points west thereof, or the reverse, will be honored either via the main line through Leadville, Cañon of the Colorado River and Glenwood Springs, or via the line over Marshall Pass and through the Black Cañon of the Gunnison, except that tickets endorsed "via Gunnison" will be honored only via route specified.

Tickets reading from Salt Lake City, Utah, or points east thereof, via Western Pacific R.R. to San Francisco, Calif., thence via Southern Pacific Co. to points south of Lathrop or Tracy, Calif., or the reverse, will be honored via San Francisco or Stockton, thence Southern Pacific.

All classes of tickets, both one-way and round-trip, from points east of and including Sacramento, Cal., reading via Western Pacific to San Francisco, thence Southern Pacific to San Jose, Cal., and points south thereof, will, at option of passengers, be honored via Western Pacific from Niles, Cal., to San Jose, Cal., without additional charge. This arrangement will also apply in the opposite direction. Passengers must make their own arrangements for their transfer at San Jose; also their baggage when not checked through via San Francisco.

All one-way and round-trip tickets reading via Western Pacific Railroad to Reno, Nevada, sold at Winnemucca, Nevada, and points east thereof will be honored in the direction they read via Portola, Cal., on payment of an additional charge of \$1.05 for each adult ticket and 55 cents for each half fare ticket. This arrangement will also apply on tickets in the reverse direction sold at Reno, Nevada.

INTERCHANGEABLE SCRIP BOOKS, bearing limit of one year from date of sale, are on sale at all of the principal ticket offices of the Denver & Rio Grande Western R.R., Rio Grande Southern R.R., and Western Pacific R.R., at fares of \$15.00, \$30.00 and \$90.00. Coupons contained in these scrip books will be honored at face value by all the larger railroads, for any number of persons, in payment of passage on trains in coaches, parlor or sleeping cars; in payment for tickets at tariff fares; also in payment for baggage charges, etc.

CHILDREN. Children under five years old are carried free when accompanied by parents or guardian; those who have reached or passed their fifth birthday and are under twelve years of age require a half ticket; those who have reached or passed their twelfth birthday require an adult ticket.

EXCESS TRAIN FARES. Passengers without tickets boarding trains of the Denver & Rio Grande Western Railroad or the Rio Grande Southern R.R. at stations furnishing proper facilities for the purchase thereof, will be required to pay the following amounts, in addition to the regular published tariff fares: Where the fare is 50 cents, or less, an excess of 10 cents; more than 50 cents, and not more than \$1.00, an excess of 15 cents; more than \$1.00, and not more than \$1.50, an excess of 20 cents; more than \$1.50, an excess of 25 cents.

Passengers boarding trains of the Western Pacific R.R. without tickets, at stations furnishing proper facilities for the purchase thereof, will be required to pay the following amount, in addition to the regular published tariff fare: Where the fare is from 12 cents to \$1.49, an excess of 10 cents; from \$1.50 to \$1.99, an excess of 15 cents; from \$2.00 to \$2.49, an excess of 20 cents; from \$2.50 to \$2.99, an excess of 25 cents; from \$3.00 to \$3.49, an excess of 30 cents; from \$3.50 to \$3.99, an excess of 35 cents; from \$4.00 to \$4.49, an excess of 40 cents; from \$4.50 to \$4.99, an excess of 45 cents; from \$5.00, and over, an excess of 50 cents.

PULLMAN RESERVATIONS. Pullman reservations to points on these lines, or beyond, can be made by addressing any Agent or Passenger Representative of the Denver & Rio Grande Western or Western Pacific.

NUMBER OF RAIL TICKETS REQUIRED FOR OCCUPANCY OF DRAWING ROOM OR COMPARTMENT. Two first-class adult rail tickets or equivalent thereto are required from individual passengers occupying drawing rooms and one and one-half tickets for compartments in standard sleeping cars, either locally or in through cars via these lines.

BEFORE BOARDING TRAINS ask the ticket agent, brakeman, or conductor whether the train stops at the station to which you may be ticketed. There are stations at which some trains do not stop.

STOPPING TRAINS ON SIGNAL. Where trains are scheduled to stop only on signal, passengers on trains must give advance notice to conductor, and persons intending to board trains must advise agent to that effect, in order that necessary arrangement may be perfected.

BAGGAGE REGULATIONS. One hundred and fifty pounds of baggage, consisting of personal wearing apparel, not exceeding one hundred dollars (\$100.00) in value, will be checked free on each adult's ticket, and seventy-five pounds, not exceeding fifty dollars (\$50.00) in value, will be checked free on each child's ticket. Clergy-fare tickets presented in connection with Clergy Permits will be treated as full tickets.

Baggage will not be checked beyond Atlantic or Pacific Coast terminals. Baggage checked to a station having no agent must be called for at the baggage car by owner upon reaching such station and duplicate checks surrendered to train baggageman; otherwise baggage will be carried to first station beyond where there is an agent.

No piece of baggage weighing more than 250 pounds will be received for checking as baggage. For any piece of baggage, any dimension of which exceeds forty-five (45) inches, there will be a charge for each inch in excess of forty-five (45) inches for each such dimension equal to the charge for five (5) pounds of excess weight, measurements to include gable or dome shaped ends, or similar protruberances, except that no piece of baggage any dimension of which exceeds seventy-two (72) inches will be transported in regular baggage service.

Unless a greater sum is declared by the passenger and charges paid for increased valuation at time of delivery to carrier, the value of baggage belonging to or checked for an adult passenger shall be deemed and agreed to be not in excess of \$100.00, and the value of the baggage belonging to or checked for a child traveling on a half-ticket shall be deemed and agreed to be not in excess of \$50.00.

STORAGE. Storage will be charged on each piece of baggage either in or outbound, checked or not checked, remaining at a station over twenty-four hours; except that baggage received any time Saturday will be held until same hour Monday. Baggage received any hour Sunday will be held until midnight Monday without charge, but if baggage is not claimed within such periods, then Sunday shall be included in computing the charge. This exception also applies to legal holidays.

DOGS. Dogs are not allowed in coaches. When accompanied by passenger presenting valid transportation, dogs not exceeding twenty-five dollars (\$25.00) in value and not intended for other persons nor for sale, exhibition, bench shows or field trials, if properly muzzled and provided with strong, securely fitting collar or harness, on chain or other strong leash, or in substantial crates with strong handles will be transported in baggage service under a revenue check and charge made at excess baggage rates for gross weight. The minimum charge for each dog on leash will be the same as for one hundred (100) pounds of excess weight baggage and the minimum charge for one or more dogs in each crate will be the same as for fifty (50) pounds of excess weight baggage. Dogs not in crates will not be checked beyond junction points where wagon or ferry transfer is required. Dogs exceeding \$25.00 in value, or intended for exhibition, bench shows, or field trials, will not be transported in regular baggage service.

GUNS AND CLUB PARAPHERNALIA. Guns (unloaded) in wooden, leather or other substantial rigid cases only, club paraphernalia, such as baseball, cricket, football, golf, lodge, polo, lacrosse, soccer, in closed receptacles only, will be checked as excess baggage and charged for at excess baggage rates for gross weight; minimum charge same as for fifty (50) pounds excess weight baggage.

FOR CORPSE transported in baggage car a full first-class limited ticket at regular first-class limited rate, with minimum of \$1.20 will be required (regardless of age) in addition to the proper transportation for the escort, who must accompany the corpse on the same train (with transit permit issued by proper authority). A corpse thus ticketed and presented for shipment will be forwarded under baggage check, but will not be checked beyond a junction point where wagon transfer is required between depots and escort must make his own arrangements for the transfer and for checking of corpse beyond, except that via Chicago, Ill., or Salt Lake City, Utah, corpse may be checked through.

HAND BAGGAGE. As a matter of precaution, it is suggested that all hand baggage should show the name and permanent address of owner so that it can be returned promptly in case of error.

Hand baggage is not permitted in the aisles of coaches, chair cars or sleepers and must be restricted in size so that it will go under the seats or in berths.

LOST ARTICLES. Agents will do all in their power to assist in the recovery of lost articles. Passengers should not only give full description of the property, but should state date of loss, number of train and whether left in coach or Pullman car. All lost articles found on Denver & Rio Grande Western are forwarded to the General Baggage Agent, Union Depot, Denver, and all lost articles found on Western Pacific are forwarded to Station Master, Western Pacific Mole, Oakland, Calif. No responsibility is assumed for unchecked articles left in stations or cars.

REPRESENTATIVES OF NATIONAL TRAVELERS AID SOCIETY are at many of the larger stations for purposes of relief of distress and assistance of unprotected.
