

The Scenic West

Overland Route trains serve a maximum of western scenic regions. This is your opportunity. On your trip to or from the Pacific Northwest visit Denver. Near by is Rocky Mountain National Park, open from June through September. Sun Valley, America's best known sports center (summer and winter), is in central Idaho and is quickly reached from Shoshone on the main line of the Union Pacific Railroad. During summer season make a tour through Yellowstone and Grand Teton National Parks, only a short train ride from Pocatello, Idaho. Dude ranches, too, are plentiful in western states that are served by the Union Pacific.
