**List of Closed-Pouch Mails**

Forwarded From Principal Post Offices and Transfer Offices by Other Than RPO Trains

The times shown opposite the post offices at heading of pouch lists is the mini um time required to connect made-up mails between trains through that office Where no time is specified, one hour should be allowed for connection.

The hours during which the post office is open for receipt and dispatch of mails is shown in italics under the heading of the pouch lists.

A † prefixed to the post office at heading of pouch list indicates that post office is open all night for the receipt and dispatch of mails.

The closing time of pouches at post offices is shown. Postmasters should promptly notify this office of any changes in the information shown in the following pouch lists for their respective offices.

For air-mail pouches made by post offices on air-mail routes and by air-mail fields, see air-mail tables on pages 12 to 130.
