THE OVERLAND ROUTE

Coast to Coast

Probably never again in your lifetime will the

OLYMPIC GAMES

be held in America

At last the Olympic Games are to be held in our own country in 1932 . . . and in sunny Southern California . . . which means a wonderful vacation opportunity for you. The Olympic Games are from July 30 to August 14, inclusive, which will give you ample time during the summer to make an extensive tour, stopping en route either before or after the games in Los Angeles.

We will have low one way and round trip excursion fares in effect to all points, which will enable you to visit any of the National Parks, where you will find Nature's Wonderlands at

their best . . . you can stop at innumerable crystal, clear lakes, fish in tumbling trout streams located in mile high, forested mountains. By all means be sure to visit Hoover Dam Site; it is a gigantic work. Then, too, there are inviting, clean sandy beaches and resorts all along the friendly Pacific Ocean, there are gorgeous flowers, palms, orange groves, beautiful cities, magnificent paved highways . . . all are waiting for you to enjoy and our buses will take you to all of them. Resolve now to take an unforgettable vacation. We will gladly help you plan it.

Bus Travel Economy

Save time, save money, save anxiety . . . travel by bus. All the conveniences of private automobile travel with none of the worries. For local or long distance trips, patronize the buses.

General Information

This time table is subject to change without notice. It shows the time buses may be expected to arrive and depart from stations, and while every effort is made to operate on such schedule, such times are not guaranteed, and no responsibility is assumed for failure to operate on schedule.

Except when otherwise shown schedules herein are operated daily.

Children under five years of age, when not occupying seats on crowded bus will be carried free when accompanied by an adult; five years of age and under twelve, one-half fare; twelve years of age and over, full fare.

Seating. The company reserves the right to seat all passengers, and the driver may change the seating arrangement of passengers at any time he may consider this necessary.

Dogs, cats and other small pets may be carried only when properly retained in kennel grips.

Conversation with the driver while bus is in motion renders such driver subject to immediate discharge.

Baggage. Subject to Tariff limitations, 100 pounds of baggage, not exceeding \$25.00 in value will be checked and transported without additional charge. Unless a greater value is declared by the passenger at the time of checking the baggage and charges paid for excess value, the value of property shall be deemed and agreed not to be in excess of \$25.00.

Rail Tickets good for passage over Chicago and North Western Rail System and Union Pacific System rail lines between any two points between which the Interstate Transit Lines furnishes motor bus service will be honored on motor buses, except in territory where the Interstate Transit Lines does not perform local service as noted under the individual schedules herein. This applies to all classes of tickets, one way and round trip, except Caretakers or Drivers Tickets or Tickets endorsed "Not Good on Motor Bus."

Sale of Joint Rail and Bus Tickets. Agents of the Chicago and North Western System and Union Pacific System may sell tickets reading via their rail line and Interstate Transit Lines via any point from which Interstate Transit Lines furnishes service. In such cases fares will be made by adding rail and bus fares together. Ask rail agent for particulars.

Refunds for tickets unused or partly used will be made by the Traffic Manager, Omaha, Nebraska. Basis for refund of partly used tickets is the difference between the fare paid and the regular fare applying between the points between which the ticket was used. In all cases where refund is requested, ticket must be surrendered to the General Office.

Connecting Lines. As a matter of accommodation, tickets are sold over various connecting lines. Interline agreements are made only with such companies as we consider reliable, but Union Pacific Stages assumes no liability for connection with or service over such connecting line, beyond refunding the price paid for the ticket when no portion of such ticket has been used over the connecting line.

Complete Tariff, including all Tariff Rules and Regulations, are on file at all Main Depots, and may be consulted by any person without assigning any reason therefor.

BOYCE RAILWAY DEPOT FOUNDATION

The Boyce Railway Depot Foundation (BRDF) was chartered on January 20th, 2017. It is organized as a non-profit Virginia corporation for preservation of the historic Norfolk & Western Railway's 1913 train station building and pump house at Boyce, Virginia.

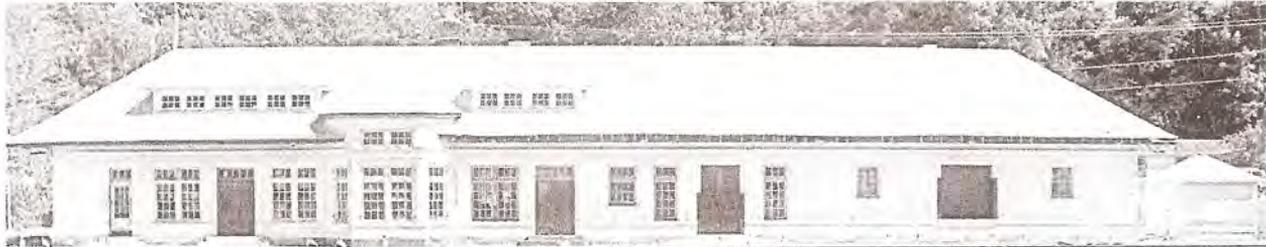

The chief focus during 2017 will be developing a membership base. Those who welcome leadership roles can be nominated by members to the Board of Directors. Officer positions will be filled from the Directors. There are incorporating Officers who will be replaced by the new Board of Directors after the first membership meeting at the depot planned for Sunday afternoon, October 1, 2017.

Those who join prior to December 31, 2017, will be designated Founding Charter Members. Annual membership dues are \$10, payable to the **BOYCE RAILWAY DEPOT FOUNDATION**. These funds will be devoted towards completing the Internal Revenue Service's required submission for compliance with Internal Revenue Code 501(C)(3) provisions.

Members and volunteers will initially support grounds-keeping and exterior building maintenance. The longer term vision is for the BRDF to lease the building and grounds, then arrange space rentals for special events and meetings as income sources for preservation efforts.

Come join us! Please write to:
