BOYCE RAILWAY DEPOT FOUNDATION

The Boyce Railway Depot Foundation (BRDF) was chartered on January 20th, 2017. It is organized as a non-profit Virginia corporation for preservation of the historic Norfolk & Western Railway's 1913 train station building and pump house at Boyce, Virginia.

The chief focus during 2017 will be developing a membership base. Those who welcome leadership roles can be nominated by members to the Board of Directors. Officer positions will be filled from the Directors. There are incorporating Officers who will be replaced by the new Board of Directors after the first membership meeting at the depot planned for Sunday afternoon, October 1, 2017.

Those who join prior to December 31, 2017, will be designated Founding Charter Members. Annual membership dues are \$10, payable to the **BOYCE RAILWAY DEPOT FOUNDATION**. These funds will be devoted towards completing the Internal Revenue Service's required submission for compliance with Internal Revenue Code 501(C)(3) provisions.

Members and volunteers will initially support grounds-keeping and exterior building maintenance. The longer term vision is for the BRDF to lease the building and grounds, then arrange space rentals for special events and meetings as income sources for preservation efforts.
