CENTRAL STANDARD TIME

GENERAL INFORMATION

The ILLINOIS TERMINAL endeavors to furnish satisfactory service to its patrons, and passengers are requested to report any instances of inattention or incivility on the part of its employees. Suggestions for the improvement of the service are always welcome.

Liability . . Times shown in this folder are the times at which trains are expected to arrive and depart, but are not guaranteed. Every effort is made to have the information accurate, but this company does not assume responsibility for errors in time tables, inconvenience or damage resulting from delayed trains or failure to make connections. Schedules herein are subject to change without notice.

Buy Tickets in Advance . . Ticket offices at all important stations are open a sufficient time before departure of trains to permit the purchase of tickets, and passengers are requested to do so before boarding trains. Cash fares on trains are in excess of ticket rates available at ticket offices.

Adjustment of Fares . . In event of any disagreement with Agents or Conductors relative to fares etc., passengers should pay the fare required, take receipt and refer case to the Passenger Traffic Manager, St. Louis, Mo., for prompt adjustment. Agents and Conductors have no discretionary power in such matters, but are governed by rules which they are not authorized to change.

Redemption of Tickets . . Tickets of this company's issue which have not been used or which have been partly used will be redeemed under tariff regulations through the office of the Auditor of Passenger Accounts, St. Louis, Missouri. Refund cannot be made on lost, stolen or destroyed tickets if not due to error or negligence on the part of the company.

Children's Fares . . Children under five years of age, when accompanied by parent or guardian, will be carried free. Children five and under twelve years of age at half fare; children twelve years of age or over at full fare.

Baggage . . The company will transport free of charge up to 150 pounds of baggage on each full fare ticket and up to 75 pounds on each half fare ticket, except that no single piece exceeding 300 pounds in weight, or 72 inches in greatest dimension, or \$2,500 in value, will be checked. Baggage transportation allowances are subject to tariff regulations as to contents, weight, value and size. Excess value must be declared and paid for at time baggage is checked.

Bicycles (not motorcycles), baby carriages, dogs and guns will be transported in baggage cars subject to tariff regulations.

Lost Articles . . Passengers who have lost articles on trains or at stations should inquire of the nearest agent or the office of the Passenger Traffic Manager, St. Louis, Mo.

Passengers are cautioned to carefully look after luggage and personal belongings carried by them. The protection of such possessions is the responsibility of the passenger.

the wheels of **progress**

**keep rolling on the
Illinois Terminal...**

To meet the ever increasing demands of the progressive St. Louis and Central Illinois territory, ILLINOIS TERMINAL has made extensive improvements and additions to its motive power and rolling stock.

The following items totaled more than eight million dollars.

23 new diesel and 5 electric freight locomotive units . . . more power to promptly move the ever increasing freight tonnage. 1,985 new freight cars, new rail, roadbed, yard and terminal improvements, new or repaired bridges, curvature elimination or reductions . . . all to provide improved service to our on-line shippers, and freight received from connections and new industries locating along ILLINOIS TERMINAL lines.

ILLINOIS TERMINAL serves a fast developing territory and is big enough to supply its growing needs. When you route your shipments to, from or through the Central Illinois territory, you will find the road of "Unexcelled Freight Service" fully capable of giving the very finest in freight transportation.

Freight trains are equipped with two-way radio providing contact between train personnel.
