25. STATUTORY REGULATIONS.

IN KANSAS, it is lawful for the Conductor to eject from the train any passenger who refuses upon demand to produce a proper ticket or other transportation, or pay fare to his destination, and he may be expelled at any point on the line of the road at which there is a station where the person ejected may at least get lodging.

The Kansas statutes prohibit gambling and the practice of any confidence games.

Drunken or disorderly persons may lawfully be expelled from the train at any place, provided the place is not such as to cause want or injury; this may be done whether fare has been paid or not.
