R and L indicate the Right or Left Side of track that Freight Houses are located, taking San Francisco as the starting point. When loading freight that is to go off the main line, take into consideration the switching of cars, as at some junctions they are turned around.

To get distance to San Francisco via Northern and San Pablo and Tulare Railroads, add eleven miles from all points east of Tracy.

To get distance to San Francisco via California Pacific and Northern Railways, deduct fifty miles from all points east of Sacramento.
