

the double track  
**MAIN LINE**  
**TO SUNSHINE**

Florida East Coast Railway offers you the superior speed and safety of Florida's only double track railroad, plus the comfort of swift Diesel power, modern equipment and a roadbed noted for its riding smoothness. It conveniently serves all of the popular cities and resorts on the Florida East Coast, colorful land of palms and sunshine.

More fine through trains are available over the Florida East Coast Railway than over any other Florida route. It operates SIX through trains daily from and to New York, Washington and the East; TWO through trains daily from and to Chicago and the Mid West, in addition to daily through sleeping cars from many points.

Skirting the scenic ocean shore, it is the only route through historic, old St. Augustine, Ormond and Daytona Beach, through the citrus groves and many comfortable towns along the beautiful Indian River.

Upon application to the local agent, a form will be supplied which must be filled in; or, communications addressed to the Passenger Traffic Manager at St. Augustine will be given prompt consideration.

**ADJUSTMENT OF DIFFERENCES.** In case of disagreement with an Agent or Conductor as to the proper amount to be collected, we ask that the passenger make payment in accordance with the demands of the employee, and take a receipt dated and signed. The question should then be referred to the Passenger Traffic Manager at St. Augustine who will give it prompt attention.

## One of the Fastest Growing Sections in the United States

Many of the thousands who visit this section each year, decide to make it their permanent home. This continuing substantial increase in population is creating an expanding market, new business and industrial opportunities.
