## Running Extra For Victory

The traditional white flags used by railways to mark "extra trains" are taken down by GM&O Trainman Joe Manuel and replaced with Old Glory to remind Rebel Route employes to "Run Extra" for Victory.

And GM&O Shippers and Receivers have been "Running Extra", too . . . for cars have been released over the entire Rebel Route Noticeably faster and much cleaner for re-loading without undue delay.

We of the GM&O will continue to "Run Extra" for Victory and we wish to take this opportunity to thank our patrons for the prompt manner in which they have let us have cars and to again remind that DEMURRAGE DELAYS VICTORY.
