Cheap
Transportation?

Let's look at the facts!

THIS Chinese coolie carries 5 gallons of oil in each container. His daily job is to walk 10 miles and carry 10 gallons, for which he is paid 10c a day.

Cheap transportation? *Look.* The consumer pays the exorbitant cost of one cent a gallon for 10 miles of overland transportation. The oil dealer has to content himself with a speed of one mile per hour in transit. The poor coolie earns only \$3 a month.

Here in America, your railroads have invested more than 26.5 billion dollars in equipment—an average of \$15,000 per employee. Railroad workers are paid a standard of wages higher than anywhere else in the world. Yet, American tank car shippers find that here, *one cent* can move a gallon of oil as far as 500 miles—not 10!

It's this principle of progressive *mass transportation* which makes your railroads so vitally essential to our American way of life.

THIS COMPANY IS NOT RESPONSIBLE FOR ERRORS in timetables, inconvenience or damage resulting from delayed trains, or failure to make connections; schedules and equipment shown herein are subject to change without notice.

HOLIDAYS—The term "Holidays" (unless covered by special note under schedule) refers to the observance of New Year's Day, Lincoln's Birthday, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Election Day (November 7), Thanksgiving Day and Christmas Day.

TRAIN WILL NOT BE HELD at Jersey City for ferries from New York between the hours of 5:00 P. M. and 6:30 P. M.

FARES PAID ON TRAIN—Conductors are required to charge ten (10) cents in excess of the one-way ticket fare for passengers traveling in coaches in the territory east of Port Jervis, including side lines and branches. Buy tickets before boarding trains and avoid payment of this extra fare.

CHILDREN under five years of age are carried free when accompanied by parent or guardian; five years of age and under twelve, half fare; twelve years of age and over, full fare.

ADJUSTMENT OF FARES—Should any misunderstanding arise with conductors or agents, pay the fare required, take receipt and communicate with Passenger Traffic Manager, Midland Bldg., Cleveland, Ohio.

REDEMPTION OF TICKETS—Tickets unused or partly used will be redeemed under tariff regulations at proper value.

LOST TICKETS—Proper care should be taken to guard against the loss of tickets, as Railroads are not responsible for lost tickets or baggage checks.

STOP-OVERS AT NIAGARA FALLS—Passengers holding tickets reading "via Erie Railroad" from Elmira, N. Y., and stations east thereof to or through Youngstown, Ohio, and stations west thereof, or vice versa, may exercise the privilege of going via Buffalo and making side-trip to Niagara Falls. On request, Erie Ticket Agent at Buffalo will issue without charge a round-trip ticket between Buffalo and Niagara Falls—Frequent service via motor coach direct from Buffalo Terminal.

STOP-OVERS AT OTHER POINTS—A stop-over within final limit will be granted on tickets sold at regular fares at all stations on the Erie Railroad (with certain exceptions in the New York suburban area).

ARTICLES LOST ON TRAINS—When articles are lost on trains or left in waiting rooms or stations, owners should apply at once to Agent at station where they leave train or address Manager, Baggage Traffic, Foot of Chambers St., New York City, giving full description of property, stating date of loss and train number.

BAGGAGE—150 pounds of baggage are checked free on adult tickets and 75 pounds on half fare tickets. Free allowance subject to tariff stipulations as to contents, weight, value and size.

Personal baggage is defined as consisting of wearing apparel, toilet articles (except liquid) and similar personal effects in actual use and necessary and appropriate for the wear, use, comfort and convenience of the passenger for the purpose of the journey and not intended

for other persons or for sale. Prohibited articles which may not be included in personal baggage are shown in published tariff which is on file at stations and open for public inspection.

Baggage to be checked should be delivered at stations reasonably in advance of train departure. The railroad cannot guarantee to forward baggage on same train with passenger and when necessary will be forwarded on other trains. To facilitate prompt receipt of baggage at destination, passengers are urged to arrange for forwarding on a preceding train.

A charge is made for storage of baggage at destination when it is not claimed within the free time limit.

BAGGAGE DELIVERY IN NEW YORK CITY—All baggage checked to New York City will be sent to Chambers Street Station.

BAGGAGE INSURANCE by the St. Paul Fire and Marine Insurance Co. may be purchased at principal Erie Ticket Offices. It insures your baggage and personal effects for your entire trip anywhere in the world. Minimum premium twenty-five cents. Ask Ticket Agent for full particulars.

BAGGAGE DELIVERY SERVICE—Baggage may be checked through to house address, hotel, steamship dock, etc., at destination, thus avoiding necessity for any further attention. Reliable transfer companies perform the service at nominal charges. This delivery arrangement is in effect at all principal cities.

HAND BAGGAGE in coaches or Pullman cars is restricted to what can be conveniently placed in berth, seat, or other accommodations purchased by passenger. It is urged that passengers carry with them only such baggage as required for their immediate needs and avail themselves of the free baggage service for other baggage required on reaching destination.

SAFETY FIRST HINTS—Carefulness on your part helps eliminate accidents. Don't get on or off a train in motion; wait for a full stop. Keep hand baggage out of car aisles; this will remove a cause of inconvenience, possibly of harm, to others. Walk carefully when entering or leaving train; high-heeled shoes are sometimes a cause of tripping or stumbling on car steps. Don't stand or walk close to the railroad track; look both ways before starting across. Courtesy toward your fellow travelers increases the pleasure of your journey.

HOW YOU CAN HELP

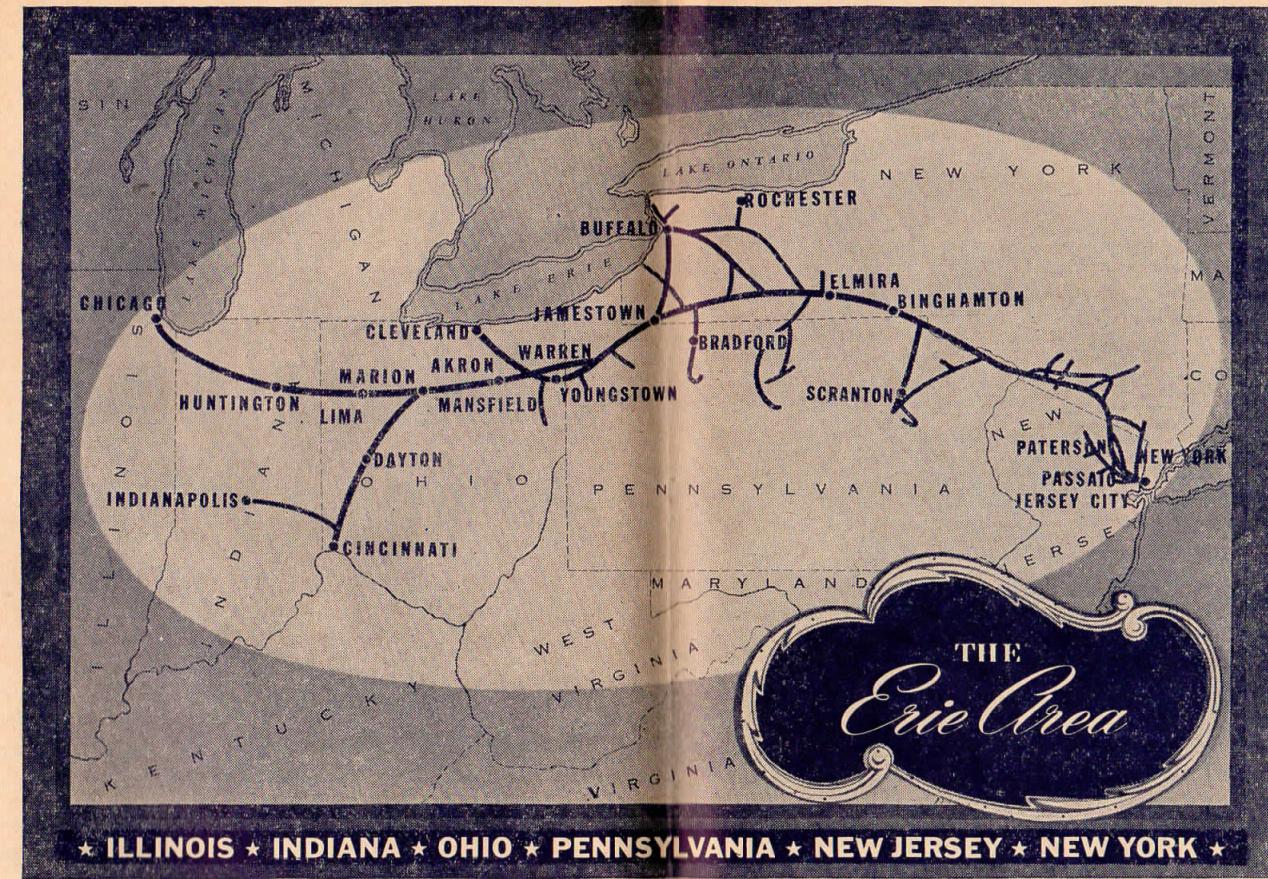

"Speed Up"

WARTIME TRAVEL

IT IS the first duty of all railroads today to get war equipment, soldiers, sailors, and marines delivered where they are needed. This tremendous job sometimes overtaxes our facilities for giving good service to our patrons.

You can help us "speed up" our wartime service and save yourself inconvenience by doing these things—

- planning your trip during mid-week
- traveling by day instead of by night
- accepting available space instead of waiting for preferred accommodations
- canceling reservations immediately if for any reason your travel plans change
- taking only necessary luggage

THE HEART OF INDUSTRIAL AMERICA

CONCENTRATED in the six states directly served by the Erie Railroad is the "Heart of Industrial America".

Mines, streams, and forests in this rich, fertile region furnish an endless supply of raw materials—coal, steel, petroleum, lumber, sand, lime, and a score of other products.

From fields come abundant crops of soya beans, wheat, corn, oats, fruits, vegetables, and a great variety of other agricultural products.

With all these natural resources, industry finds it more

advantageous to be located in "The Erie Area". For everything, from raw materials to ideal manufacturing conditions, is available here, and it is near the greatest American markets for finished products.

The Erie Railroad serves well this great industrial heart. In war as in peace the Erie provides fast, safe, dependable transportation in bringing raw materials to industry and finished products to markets.

Get the facts about "The Erie Area". A copy of our new map of this region and specific information will be furnished without obligation.
