### NOW . . . More Famous Than Ever! L&N's Country Ham Breakfast . . .

These Hams are carefully selected and cured especially for the L&N Railroad on a farm at Pewee Valley, Kentucky, where they are properly aged to assure that old-fashioned "salt-cured" flavor. Then, expertly prepared according to our own recipe by experienced chefs, served with real red gravy, hominy grits, fresh eggs cooked to your taste, and choice

of hot bread, this is a breakfast you won't forget!

Equally Famous is the L&N SEAFOOD PLATTER — Available on our New Orleans trains, this rare treat includes soup du jour, soft shell crab, oysters, Jumbo shrimp, fried trout or broiled mackerel, and other delicacies...fresh from Gulf Coast waters. Try it!

For delicious food and fine service, travel via L & N

LOUISVILLE & NASHVILLE R.R.

## GENERAL INFORMATION

The time tables show the time at which trains may be expected to arrive and depart from stations and to connect with other trains, but departure or arrival or connection at time stated is not guaranteed. This Company reserves the right to vary from the time shown in this folder without notice. The time of connecting transportation companies is published from information available at the time this folder was printed, and every care taken to have it correct, but this Company does not hold itself responsible for any errors or omissions therein.

It is our aim to render satisfactory service, and passengers are requested to report any instance of inattention or incivility on the part of employees.

**TICKET OFFICES** are open a sufficient time before the departure of trains to permit the purchase of tickets, and passengers are requested to do so before boarding the train; however some small station offices are closed on Saturday and Sunday and tickets should be purchased in advance at such points.

**CHILDREN** under five years of age will be carried free when accompanied by parent or guardian; five years of age and under twelve, half fare; twelve years of age and over, full adult fare.

**REDEMPTION OF TICKETS.** Wholly unused tickets of this Company's issue may be redeemed at the same office where ticket was purchased if presented by original purchaser within two months from date of sale.

Application for redemption of unused portions of tickets of this Company's issue, also wholly unused tickets which have not been presented for redemption at office where sold within the two months' period, should be made to General Passenger Agent, L & N Railroad, Louisville 1, Ky.

**ADJUSTMENT OF FARES.** In the event of disagreement with Conductors or Agents relative to ticket conditions, privileges allowed, etc., passengers should pay the fare required, take receipt and refer case for adjustment to the General Passenger Agent, Louisville 1, Ky., who will refund any overcharge. Agents and Conductors have no discretionary power in such matters, but are governed by rules which they are not authorized to change.

**HONORING TICKETS TO NON-STOP STATIONS.** Passengers holding tickets to stations at which through trains do not stop, will be required to transfer at some intermediate point (usually the last regular terminal point short of destination) and to use next following local train which is scheduled to stop at destination.

**STOP-OVERS.** One-way tickets are limited to thirty (30) days in addition to date of sale, and stop-overs may be made at any station enroute within final limit of ticket. To secure stop-over passenger should notify the conductor who will endorse ticket and return to passenger. Passengers having availed themselves of stop-over privilege at one or more points must resume use of tickets in time to reach destination before final limit expires.

Stop-overs are also allowed at all points on the Louisville and Nashville Railroad within final limit of Round-Trip tickets by application to conductor. Information regarding stop-overs may be secured from passenger representatives on pages 30 and 31 of this folder, or from any L. & N. ticket agent.

**AIR-CONDITIONED CARS** are regularly assigned principal through main line trains and every effort will be made to provide same; but the right is reserved to use non-Air-Conditioned equipment when necessary, due to volume of traffic or operating contingencies.

## BAGGAGE REGULATIONS

**DEFINITION OF BAGGAGE.** Personal wearing apparel, toilet articles except liquids, and other personal effects in actual use and necessary for the wear, use, comfort and convenience of the passenger and not intended for other persons nor for sale. Money, jewelry, negotiable papers and like valuables, fragile or perishable articles, radios, phonographs and records for same and household goods must not be included in checked baggage.

**BAGGAGE SERVICE CHARGE:** A service charge of 25¢ for each hand bag and 50¢ for each trunk, will be made at time of checking at L & N stations.

**MARKING FOR IDENTIFICATION.** Mark or tag each piece of baggage with name and address; also place name and permanent address inside each piece, whether the baggage is checked or carried on the train.

**ALLOWANCE:** For each full fare ticket, 150 pounds, value \$100.00; for each half fare ticket, 75 pounds, value \$50.00; may be checked without additional charge. Passengers may declare excess value at nominal charge of 20¢ for each additional \$100.00 or fraction thereof.

**WEIGHT, SIZE AND LIABILITY.** Baggage weighing in excess of the above allowances will be charged for in accordance with published tariffs. No single piece of baggage weighing more than 300 pounds, or having dimensions exceeding 72 inches, or valued at more than \$2,500.00, or cardboard cartons weighing more than 50 pounds, will be transported as baggage, but must be sent by express or freight.

**EXCESS CHECK.** Passengers paying charges for excess weight or valuation will receive an excess baggage check, which must be surrendered to Agent with other checks, if any, when baggage is claimed.

**CHECKED TO NON-AGENCY STATION OR TO STATIONS CLOSED ON SATURDAY, SUNDAY OR HOLIDAY.** If baggage is checked to a non-agency station or to a station closed on Saturday, Sunday or Holiday, passenger must claim same by presenting checks to train baggage man at baggage car door on arrival at destination. If baggage is not so claimed, it will be carried to next agency station beyond.

**BAD CONDITION.** Baggage that is too frail to withstand necessary handling will not be accepted for transportation in baggage cars. When baggage is received at destination in damaged condition, this fact must be called to agent's attention at time of delivery.

**STORAGE OF BAGGAGE.** On the first twenty-four hours, free storage is allowed at all stations. After expiration of the free time, storage charges will be assessed at regular tariff rates.

**BICYCLES (NOT MOTORCYCLES), BABY CARRIAGES, AND GUNS** are transported in baggage cars subject to tariff regulations.

**DOGS** (other than guide dogs) may be taken in private rooms of Pullman cars when on leash and muzzled. Dogs may be checked as baggage at tariff rates, when muzzled and on strong leash, or in crates.

**DOGS, CATS AND OTHER SMALL HOUSEHOLD PETS** (not vicious, odorous, or objectionable) when carried in baskets or containers may be taken into coaches, and into private rooms of Pullman cars.

**FORWARDING.** Passengers are urged to check baggage in advance so that it may be forwarded on a preceding train. Every effort will be made to facilitate the handling, but the Railroad cannot guarantee the forwarding of baggage on same train with owner; nor can time of arrival at destination to which checked be guaranteed.

**LOST ARTICLES** should be inquired for through General Passenger Agent, L. & N. R.R., Louisville 1, Ky., or nearest representative.

**NO RESPONSIBILITY IS ASSUMED** for unchecked articles left in stations or cars.

# INDEX TO STATIONS

Figures following name of station refer to TABLES (not page numbers) of detailed schedules in which point appears; capital letters following name of station to TABLES of through service on pages 5 to 11. Population figures shown are the final figures of the 1950 census.

## Suggestions for Reading the L &amp; N Time Table

The L & N Time Table Folder is designed for easy reading. Trains are listed by number, and the equipment is listed underneath the table in which the train's schedule is shown, or on the opposite page.

The tables on pages 4 to 11 are condensed, showing schedules and equipment of through trains operating over the L & N Railroad and connecting railroads, and these tables list only important cities and junction points on the route of the trains. Tables on pages 11 to 22 are complete schedules of trains operating over the L & N Railroad, showing names of stations served by each train. On pages 22 to 26 are listed condensed schedules of connecting railroads at important junction points. Pages 28 and 29 show Rail fares and Pullman rates in effect at the time this folder was printed.

**Time AM or PM**—From 12:01 AM (midnight) to and including 12:00 noon shown in light-faced type; from 12:01 PM (noon) to 12:00 midnight printed in dark-faced type. Letters (CT) following names of stations indicate Central Standard Time, letters (ET) indicate Eastern Standard Time.

**Index to Stations** On pages 3 and 4, stations are listed alphabetically. To the right of the station is a letter or number, or both, indicating tables in which station is listed. Turn to that table, read down the list of stations to locate the desired city. On tables where schedules are shown in one direction, read down. Where schedules are listed in both directions, those to left of stations are southbound schedules and read down, times shown to right of stations are northbound and read up.

**Reference Notes**—To indicate special conditions applying to stops of trains at certain stations, as well as to convey other information which could not be included in the body of the time table, special letters and characters are used in connection with trains, stations or equipment, and explanation is contained under "Reference Notes" following the table in which the station or train is shown. If you find a letter or character opposite the train or station you are checking, it is most important that you also read the explanation of the mark to be fully informed of all conditions.

**Map of the L & N Railroad and participating through train service** is in the exact center of our folder—pages 16 and 17. Reference to this map will indicate the geographic location of stations and also the route of travel.

**General Information**—Page 2 contains items of general interest concerning train travel and baggage regulations.

# CINCINNATI TO NEW ORLEANS

**continued**  
on page 1

## **NEW ORLEANS**

No other city in the world combines so well the romantic air of the Old World with the gay and youthful spirit of the new.

World travelers know there is nothing like this city of glamour and legend. The atmosphere breathes adventure and the beauty of a romantic setting carries you away—into a gay new life, that seems even more lively after dark.

**These interesting cities are served by many fine L&N Trains, Including The Humming Bird, The Pan American  
The Crescent, Piedmont Limited, and The Gulf Wind.**

MOBIL

Many nations have, from the time of the Spaniards who first came here in 1540, played a part in the planning, architecture and spirit of the city. Today Mobile is a large shipbuilding center and its wharves, including the St. Louis Docks of Alabama, are busy with valuable traffic. Mobile is famous for its Azalea Trail and nearby Bellingrath Gardens, famous Flower Capital.

For explanation of references, marks see page

The blue-and-white lamp of Travelers Aid is synonymous with help to those in trouble away from home. Sudden illness, loss of money, connections missed in a strange town — look for the glow of the blue-and-white lamp and a Travelers Aid worker will be there to help you.
