

NOW . . . More Famous Than Ever!
L&N's Country Ham Breakfast . . .

These hams are carefully selected and cured especially for the L&N Railroad on a farm at Pewee Valley, Kentucky, where they are properly aged to assure that old-fashioned "salt-cured" flavor. Then, expertly prepared according to our own recipe by experienced chefs, served with real red gravy, hominy grits, fresh eggs cooked to your taste, and choice

of hot bread, this is a breakfast you won't forget! Equally Famous is the L&N SEAFOOD PLATTER — Available on our New Orleans trains, this rare treat includes soup du jour, soft shell crab, oysters, Jumbo shrimp, fried trout or broiled mackerel, and other delicacies...fresh from Gulf Coast waters. Try it!

GENERAL INFORMATION

The time tables show the time at which trains may be expected to arrive and depart from stations and to connect with other trains, but departure or arrival or connection at time stated is not guaranteed. This Company reserves the right to vary from the time shown in this folder without notice.

It is our aim to render satisfactory service, and passengers are requested to report any instance of inattention or discourtesy on the part of employees.

TICKET OFFICES are open a sufficient time before the departure of trains to permit the purchase of tickets, and passengers are requested to do so before boarding the train; however some small station offices are closed on Saturday, Sunday and Holidays, and tickets should be purchased in advance at such points.

CHILDREN under five years of age will be carried free when accompanied by parent or guardian; five years of age and under twelve, half fare; twelve years of age and over, full adult fare.

REDEMPTION OF TICKETS. Wholly unused tickets of this Company's issue may be redeemed at the same office where ticket was purchased if presented by original purchaser within two months from date of sale.

Application for redemption of unused portions of tickets of this Company's issue, also wholly unused tickets which have not been presented for redemption at office where sold within the two months' period, should be made to General Passenger Agent, L & N Railroad, Louisville 1, Ky.

ADJUSTMENT OF FARES. In the event of disagreement with Conductors or Agents relative to ticket conditions, privileges allowed, etc., passengers should pay the fare required, take receipt and refer case for adjustment to the General Passenger Agent, Louisville 1, Ky., who will refund any overcharge. Agents and Conductors have no discretionary power in such matters, but are governed by rules which they are not authorized to change.

HONORING TICKETS TO NON-STOP STATIONS. Passengers holding tickets to stations at which through trains do not stop, will be required to transfer at some intermediate point (usually the last regular terminal point short of destination) and to use next following local train which is scheduled to stop at destination.

STOP-OVERS. One-way tickets are limited to thirty (30) days in addition to date of sale, and stop-overs may be made at any station enroute within final limit of ticket. To secure stop-over passenger should notify the conductor who will endorse ticket and return to passenger. Passengers having availed themselves of stop-over privilege at one or more points must resume use of tickets in time to reach destination before final limit expires.

Stop-overs are also allowed at all points on the Louisville and Nashville Railroad within final limit of Round-Trip tickets by application to conductor. Information regarding stop-overs may be secured from passenger representatives on pages 18-19 of this folder, or from any L & N ticket agent.

AIR-CONDITIONED CARS are regularly assigned principal through main line trains and every effort will be made to provide same; but the right is reserved to use non-Air-Conditioned equipment when necessary, due to volume of traffic or operating contingencies.

BAGGAGE REGULATIONS

DEFINITION OF BAGGAGE. Personal wearing apparel, toilet articles except liquids, and other personal effects in actual use and necessary for the comfort and convenience of the passenger. Money, jewelry, negotiable papers and like valuables, fragile or perishable articles, radios, phonographs and records and household goods must not be included in checked baggage.

BAGGAGE SERVICE CHARGE: A service charge of 25c for each hand bag and 50c for each trunk, will be made at time of checking at L & N stations.

MARKING FOR IDENTIFICATION. Tag each piece of baggage with name and address; place name and permanent address inside each piece.

ALLOWANCE: For each full fare ticket, 150 pounds, value \$100.00; for each half fare ticket, 75 pounds, value \$50.00. Passengers may declare excess value at nominal charge of 25c for each additional \$100.00 or fraction thereof.

WEIGHT AND LIABILITY. Baggage weighing in excess of the above free allowances will be charged for in accordance with published tariffs. No single piece of baggage weighing more than 300 pounds, or valued at more than \$2,500.00, or cardboard cartons weighing more than 50 pounds, will be transported as baggage, but must be sent by express or freight.

EXCESS CHECK. Passengers paying charges for excess weight will receive an excess baggage check, which must be surrendered to Agent with other checks, if any, when baggage is claimed.

If baggage is checked to a non-agency station or to a station closed on Saturday, Sunday or Holiday, passenger must claim baggage by presenting checks to train baggageman at baggage car door on arrival at destination. If baggage is not so claimed, it will be carried to next agency station beyond.

BAD CONDITION. Baggage too frail to withstand necessary handling will not be accepted for transportation in baggage cars. When baggage is received at destination in damaged condition, this fact must be called to agent's attention at time of delivery.

STORAGE OF BAGGAGE. On the first twenty-four hours, free storage is allowed at all stations. After expiration of the free time, storage charges will be assessed at regular tariff rates.

BICYCLES (NOT MOTORCYCLES), BABY CARRIAGES, AND GUNS (UNLOADED) are transported in baggage cars subject to tariff regulations.

DOGS, CATS AND OTHER SMALL HOUSEHOLD PETS (not vicious, odorous, or objectionable) when carried in baskets or containers may be taken into coaches, and into private rooms of Pullman cars.

FORWARDING. Passengers are urged to check baggage in advance. Railroad cannot guarantee forwarding of baggage on same train with Passenger, nor can time of arrival at destination be guaranteed.

LOST ARTICLES. Make inquiry to General Passenger Agent, L & N R.R., Louisville 1, Ky., or nearest representative.

NO RESPONSIBILITY IS ASSUMED for unchecked articles left in stations or cars.

MOBILE

Many nations, including the Spaniards who came in 1540, have played a part in the planning, architecture and spirit of the city.

Today Mobile is a large shipbuilding center and its wharves, including the State Docks of Alabama, are busy with valuable traffic. Mobile is also famous for its Azalea Trail and nearby Bellinger Gardens, famous Flower Capital.
