# FLORIDA EAST COAST Railway

# MOST COMPLETE Through Service to the Florida East Coast

## TIME TABLES

## TIME TABLES

Florida East Coast Railway and its connections offer the most complete through service to and from all points on the East Coast of Florida. SIX fine trains daily from and to New York and the East; TWO through trains daily from and to Chicago and the Mid West, in addition to daily through sleeping cars from many points.

This is Florida's modern double track railroad. Skirting the scenic ocean shore it is the only route through historic old St. Augustine, Ormond and Daytona Beach, through the groves of golden citrus fruit and many pretty towns along the beautiful Indian River.
