GENERAL INFORMATION

TIME from 12:01 AM to Noon is shown in light-face figures; from 12:01 PM to Midnight in dark-face figures. Standard Time is used throughout this folder.

TICKET OFFICES at principal stations are open before departure of trains and passengers are requested to purchase tickets before boarding trains. This will result in a saving as, in many cases, the cash fares collected by Conductors on trains are higher than through fares charged by Ticket Agents.

HAND BAGGAGE containing travel needs in reasonable amount may be carried with passenger on trains without additional charge.

CHECKED BAGGAGE: Baggage, bicycles (not motorcycles), baby carriages, club and sporting paraphernalia, dogs and small household pets in crates or cages, as well as other specified property, may be checked for transportation in baggage cars subject to tariff regulations. Only baggage sufficiently durable to stand rapid handling and containing wearing apparel, toilet articles, except liquids, and similar personal effects in actual use and necessary for the purpose of the journey will be handled in baggage service. Money, jewelry, silverware, watches, negotiable papers, and like valuables, fragile or perishable articles, typewriters, radios and other household goods must not be enclosed in baggage to be checked. Although every effort is made to facilitate the handling of checked baggage, the railroad cannot guarantee to forward baggage on the same train with owner, nor can the time of arrival at destination be guaranteed; therefore, passengers are urged to check baggage in advance so that it may be forwarded on a preceding train. Baggage value in excess of free value allowance must be declared and paid for at time of checking. A charge is made for storage of baggage left at stations longer than the free time limit.

DOGS AND OTHER SMALL HOUSEHOLD PETS when carried in baskets or containers (except dogs may be on leash if muzzled) may be taken by purchaser of sleeping car room accommodations into rooms occupied.

LOST ARTICLES left on trains or in stations should be reported promptly to Agent at station where passenger leaves train, or communicate with General Baggage Agent, Seaboard Coast Line Railroad, P. O. Box 27581, Richmond, Va. 23261. Passenger should give full description of the lost property, together with date of loss, train number, whether left in coach or sleeping car, etc. We will make every effort to recover lost property but no responsibility is assumed for unchecked articles left in stations or cars.

INSURANCE: Short-term personal and baggage insurance policies may be purchased at principal offices of the Seaboard Coast Line Railroad. Coverage is liberal and rates low. Ask Ticket Agent for particulars.

CHILDREN under five years of age, in charge of competent person, are carried free; those five years of age and under twelve are required to pay half fare; those twelve years of age and over are required to pay full fare.

ADJUSTMENT OF DIFFERENCES: In the event of any disagreement with a Conductor relative to tickets or fares, passengers should pay Conductor's claim, take his receipt, and refer the case to Manager Passenger Rates, P. O. Box 27581, Richmond, Va. 23261, for adjustment. Conductors have no discretionary power in such matters and are governed by rules which they are not authorized to waive.

REDEMPTION OF TICKETS: This Company will fully protect original purchasers from loss in cases where for satisfactory reasons tickets are not used, refunding the difference between the amount paid and the charge for the portion used. Unused tickets, with full particulars, should be forwarded to Manager Passenger Rates, P. O. Box 27581, Richmond, Va. 23261, who will make refund. Ticket Agents are authorized to refund the purchase price of unused sleeping car tickets only when space covered by the ticket is released in advance in accordance with tariff requirements; when the late arrival of another train has caused the passenger to miss connections; or, when for any reason the sleeping car space covered by the ticket is unavailable.

NO RESPONSIBILITY is assumed for errors in time tables, nor for inconvenience or damage resulting from delayed trains or failure to make connections. Schedules and equipment shown herein subject to change without notice.
