Low Vacation Fares to the Union Pacific West

THE wonderful resort country of western America which includes our entire Pacific coastline and embraces ten National Parks is the Union Pacific country. Reduced summer tourist

tickets are on sale daily to Sept. 30th, 1925, except to West Yellowstone,—the final sale date to this point being Sept. 13th. Oct. 31st is the final return limit for all destinations.

The round trip fare is in many cases only a small fraction more than the one-way fare. The following table shows what the round-trip fares are from a few of the larger cities to principal points in the western resort country. These fares are compiled from latest available information but are not guaranteed absolutely correct. If the table varies from printed tariffs, the latter will govern.

GENERAL INFORMATION

Not Responsible. The Union Pacific System is not responsible for errors in time tables, inconvenience or damage resulting from delayed trains or failure to make connections; schedules herein are subject to change without notice.

Mileages in this folder are not always the same as those shown on stations; here they are shown from the train terminals indicated by 0 in miles column, while those on stations are from terminals shown thereon.

Buy Tickets before boarding trains and avoid payment of extra charge.

Persons desiring Coupon Tickets at stations where not regularly sold can obtain them by giving Ticket Agent sufficient notice to enable him to procure them.

Children under 5 years of age free, when accompanied by parent or guardian; 5 years of age and under 12, one-half fare; 12 years of age or over, full fare.

Adjustment of Fares. In case of dispute with Conductors or Agents, pay the fare required, take receipt and communicate with General Passenger Agent, Omaha, Neb.

Tickets Must be Used within Limit. Local one-way tickets will be honored only for continuous passage to destination, commencing within one day from date of sale. Passengers holding interline tickets must reach destination not later than midnight of date punched in margin or indicated on stop-over paster.

Redemption of Tickets. Tickets unused, or partly used, will be redeemed under tariff regulations at proper value, after deducting proper tariff charges for service rendered thereon.

Baggage Maximums. Baggage not exceeding 45 inches in any dimension, will be checked free for each passenger, as follows: for those presenting full ticket, 150 pounds; half ticket, 75 pounds. No single piece of baggage exceeding 250 pounds in weight, or 72 inches in greatest dimension, or single shipment exceeding \$2,500.00 in value, will be checked. Free allowances subject to tariff stipulations as to contents, weight, value and size. For around-the-world and Trans-Pacific passengers, 350 pounds of baggage, not exceeding \$100.00 in value, may be checked without additional charge for each adult ticket, and 175 pounds not exceeding \$50.00 in value for each child traveling on half ticket.

Hand Baggage in Pullman Cars is restricted to what can be conveniently placed in berth or seat occupied by passengers.

Mark Your Baggage. All baggage should be legibly marked with the name and permanent address of the owner.

Stopovers are allowed on all round trip Summer and All Year Excursion tickets within final limit at all points, and on all one way tickets at Ogden and Salt Lake City; also on certain one way tickets at Colton, Los Angeles, Riverside, and San Bernardino, Calif.; Denver, Colo.; Kansas City, Mo.; Caliente and Las Vegas, Nev.; Portland, Ore.; Lund, Milford, Provo and Thistle, Utah; and Seattle, Spokane and Tacoma, Wash. There are also some desirable **optional route arrangements** in effect. Ask your local ticket agent or Union Pacific representative for details.

Stopping Trains on Signal. Where trains are scheduled to stop only on signal, advance notice should be given, so that necessary arrangements may be perfected.

Ticket Offices at all local stations open thirty minutes before departure of passenger trains, affording passengers ample time to procure tickets and get baggage checked before departure of train. Station baggagemen are required to examine tickets before checking baggage. Before entering a train passengers should ascertain from the Ticket Agent or Trainmen whether the train stops at the station which is their destination, in order that no mistakes may occur at Flag or Signal Stations.

Lost Articles should be inquired for by addressing General Baggage Agent, Union Pacific Railroad, Omaha, Neb.

No Responsibility Is Assumed for unchecked articles left in stations or cars.

The National Travelers Aid Society. Representatives of National Travelers Aid Society are at many of the larger stations for purpose of relieving those in distress and offering assistance to the unprotected. Those in need of such service should inquire of the station force for a National Travelers Aid Society representative.

Western Union Telegraph Offices are maintained at all stations enabling passengers to communicate conveniently at any time with home or business anywhere. Telegram blanks in Pullman cars.

Passengers can aid in making the Safety-First movement more successful: by not getting on or off moving trains; by not placing baggage or packages in the aisle for others to fall over; by not placing baggage or packages that are too large in the racks of cars; by not putting their heads or arms out of car windows or throwing bottles or other objects therefrom; by seeing that open windows are securely latched before putting arms or hands on sill; by looking both ways before crossing the tracks; by not standing on or too near the tracks.
