A fast schedule and smooth riding

LOOKING for real comfort in travel between Detroit, Washington and Baltimore? You've found it—in the Baltimore & Ohio's Ambassador! Its Diesel-Electric power means gliding riding; its air-conditioning means cleanliness and an even temperature; its fine accommodations give you wonderful relaxation.

For the economy-minded, the Ambassador offers soft, adjustable reclining coach-seats; for those who like privacy, pleasant rooms are available. And for all, a pleasant lounge to visit for a change and sociability.

This is a train you are proud to board, and one you leave refreshed and alert. And while aboard, you enjoy the famous B&O "extras": courteous service, extraordinary food, and the confidence that you'll be on time. Make the Ambassador your train!

Features that make the Ambassador YOUR HOME ON WHEELS

RECLINING COACH-SEATS. Real comfort for travelers on a budget. Soft, relaxing, with adjustable backs.

PRIVATE BEDROOMS (Left for day travel—Right, for night travel). These rooms provide comfortable accommodations for two. They have two restful beds, movable upholstered chairs with lavatory facilities and enclosed toilet. Two bedrooms can be converted to a large one for four persons.

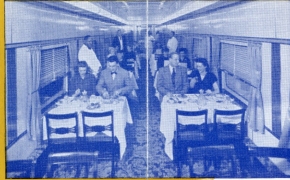

ROOMETTES—Completely enclosed rooms for individuals. Private facilities for your convenience.

COLORFUL OBSERVATION-LOUNGE. Here Pullman passengers may read or relax with their favorite beverage.

FRIENDLY COACH-LOUNGE. Another "plus" for coach passengers on the Ambassador. A pleasant place to visit.

THE DELIGHTFUL DINER. You'll enjoy one of B&O's famous meals even more in these attractive surroundings.
