Arizona or sunny California**
(Single girls, bachelors,

ROCK ISLAND LINES

The railroad of planned progress
...geared to the nation's future

GENERAL INFORMATION

TO OBTAIN COMPLETE INFORMATION FROM THESE TIME TABLES, OBSERVE THE FOLLOWING GENERAL RULES:

ALL REFERENCE MARKS IN THE TABLES SHOULD BE NOTED VERY CAREFULLY.

STANDARD OF TIME—Rock Island trains east of Phillipsburg, Kan., and Tucumcari, N. M., are run by **Central Standard Time**; west of Phillipsburg, Kan., and Tucumcari, N. M., by **Mountain Standard Time**. Yuma and west, **Pacific Standard Time**.

Time from 12.01 midnight to 12.00 noon (A. M. time) is shown in light figures; time from 12.01 noon to 12.00 midnight (P. M. time) is shown in dark figures.

The time shown opposite a station name is the time trains are scheduled to be at such station. Where neither "A." nor "P." appears opposite a station name, the time of passenger trains opposite such a station will be considered both the arriving and the leaving time. Where no time is shown, trains do not stop.

STATION INDEX on page 3. The numbers shown in station index indicate tables.

In many tables you will find pairs of ruled lines with one or more stations intervening. Such lines indicate that stations thus set apart are located on lines branching out from the line covered by the table. If your destination is on the main line of the table, and not on one of these branching lines, let your eye jump both rules in tracing your schedule.

CONDENSED SCHEDULES—Tables A to F, are of assistance in planning local as well as extended trips. Equipment of through trains is shown on page 14.

Leg rest seat coaches are assigned on certain trains. Every effort is made to maintain this service, but operation of non-leg rest coaches may be necessary on occasions, due to emergencies or shortages.

On trains that carry chair car porters, there is no charge for the service of the porter. He will, however, collect a nominal charge for pillows.

NOT RESPONSIBLE—No responsibility is assumed for errors in time tables, inconvenience or damage resulting from delayed trains or failure to make connections; schedules herein are subject to change without notice.

BUY TICKETS before boarding trains and avoid payment of extra charge.

STOP-OVERS are permitted at all points where trains are scheduled to stop, within final limit of tickets, by notifying conductor. Stopovers are not permitted at Lawrence, Kansas.

Koukal, Passenger Traffic Manager, Rock Island Lines, Room 723 La Salle Station, Chicago, Ill. 60605. The unused portion of tickets issued by other roads should be sent to General Passenger Agent of issuing road.

TICKETS MUST BE USED WITHIN TIME LIMIT—Tickets will not be accepted for passage after midnight of expiration date indicated on the ticket except that where passenger boards train prior to midnight of date ticket expires and ticket will expire enroute, or passenger will use train leaving not later than 4.00 A. M. (Standard Time) of the day following date of expiration of ticket, the ticket will be honored for continuous passage without stopover to passenger's destination.

CHANGING CLASS OF TICKETS—Passengers holding coach tickets who desire to use higher type of accommodations may have their tickets made valid in such type of accommodations on payment of additional charges shown in tariffs lawfully on file. Consult the ticket agent or conductor regarding the amount of the charge.

Passengers will also be required to pay the sleeping car rate for space occupied.

CHILDREN who are less than five years old are carried free when accompanied by parents or guardians. Those who have reached or passed their fifth birthday and are under twelve years of age, require a half ticket except that adult passage ticket is required where a child has exclusive occupancy of certain Sleeping Car space. **Children of half-fare age when unaccompanied by parents or guardian will only be accepted under certain circumstances and then only when arrangements are made in advance. BAGGAGE

Rock Island Stations to and from which baggage may be checked are indicated in Index of Folder on page 3.

For accommodation of patrons, arrangements are in effect at all principal points for checking baggage from hotel or residence to destination station, or to hotel or residence at destination. Patrons who desire this service should request same of agent at starting point. A reasonable charge per piece is made for this special service.

Money, jewelry, negotiable papers, liquids, fragile or perishable articles, radios, typewriters, dishes and household goods are examples of some of the articles not checkable as baggage. Consult agent.

NOT RESPONSIBLE—The Rock Island Railroad will not be responsible for the loss of unchecked baggage when taken into sleeping cars or chair cars by patrons and will assume no responsibility for unchecked articles left in stations, on platforms, or in cars.

PROTECT YOUR LUGGAGE AND WEARING APPAREL—For passenger's own protection all baggage to be checked should bear owner's name and address in a plain and legible manner.

BAGGAGE ALLOWANCE AND LIMITATIONS—150 lbs. of baggage will be allowed on each full fare ticket and 75 lbs. on each half fare ticket without payment of excess weight charges unless otherwise specified in tariff. Trailer is loaded onto Rock Island flat car. Specialized equipment helps the railroad load or unload in less than three minutes.

You can ship piggyback from anywhere on the Rock Island

On the Rock Island, there are now piggyback ramps in 46 key traffic locations. This makes it possible for you to ship piggyback from any section of the 14-state heart of America (Rock Island Country). And that's not all:

Item: the Rock Island is one of the few American railroads to offer shippers all five piggyback plans.

Item: the Rock Island's number of special piggyback cars has almost tripled in the last five years.

Item: 19 Rock Island direct interchanges (connecting with 51 different lines) allow you to speed your piggyback shipments to almost any point in the nation.

Item: A manager of TOFC (trailer on flat car) has been

newly-appointed to increase the ability of the Rock Island's rapidly expanding piggyback division to serve the public.

Complete piggyback service—one of many tools the Rock Island employs to give you faster, safer, *better* service. Your local Rock Island agent has the details. Ask him for a copy of the new Rock Island system map. It contains a listing of all piggyback facilities, all interchange points, routes of other railroads, and many other important facts.
