LOCAL TRAIN and STAGE SERVICE in Oregon

New Reclining Chair Cars on the Shasta Route

For your greater comfort and to better serve you, Southern Pacific has placed new reclining chair cars of the latest design on Trains 7 and 8, the "Klamath," on Nos. 15 and 16, the "West Coast," and 11 and 12, the "Shasta."

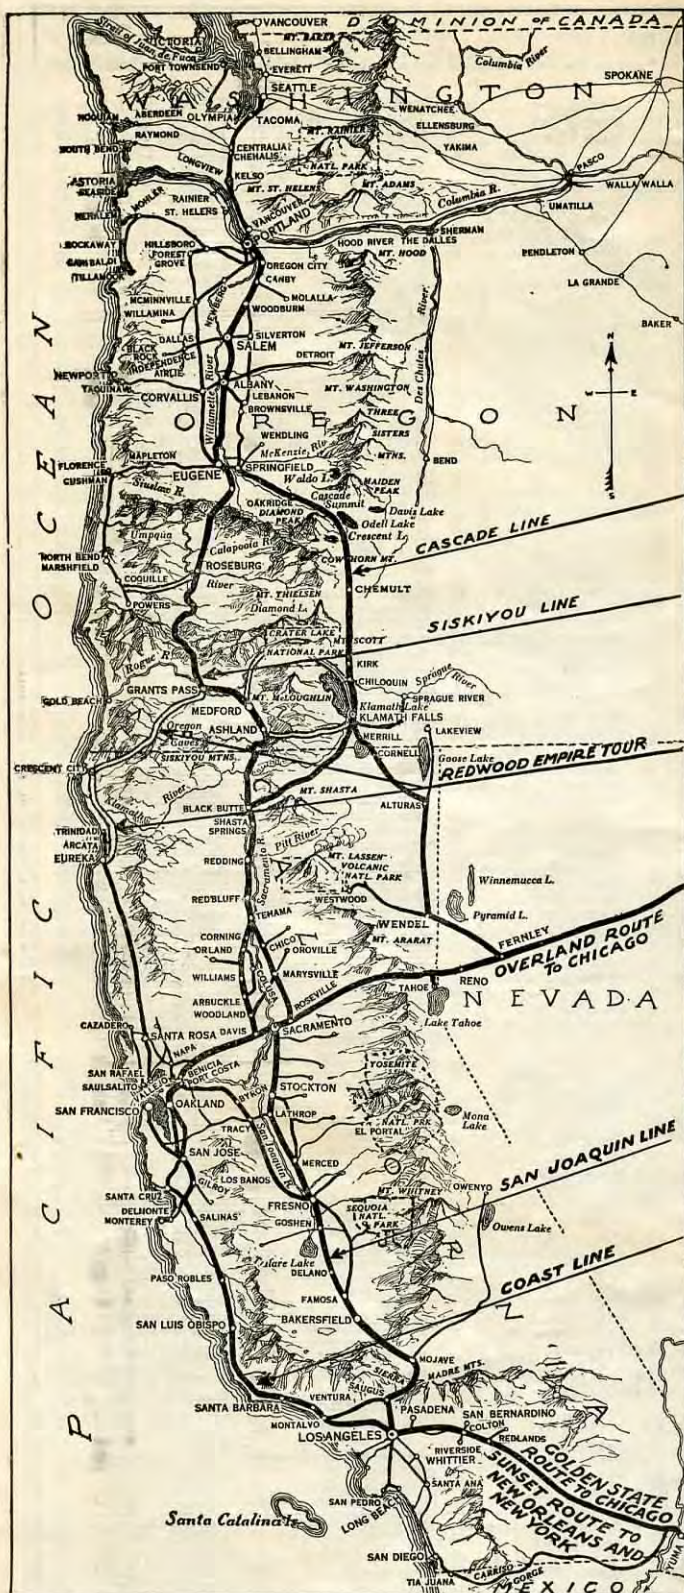

These cars have large Pullman-like rest rooms for men and women. Each is equipped with seats, white porcelain wash bowls and mirrors and are of sufficient size to be used as smoking rooms.

With comfortable chairs which can be adjusted to a reclining position, improved window arrangement and thermostatic heat control, the new cars provide travel comfort in a new sense of the word. The interiors are finished in pleasing shades of green or tan with chair upholstery and linoleum floors to match.
