

The Scenic West

Overland Route trains serve a maximum of western scenic regions. This is your opportunity. On your trip to or from California visit Denver. Near by is Rocky Mountain National Park, open from June through September. See romantic Salt Lake City if time permits. During summer season make a tour through Yellowstone and Grand Teton National Parks, just an over night train trip from Ogden. Near Truckee, California is beautiful mountain-rimmed Lake Tahoe with many fine vacation resorts. Dude ranches, too, are plentiful in Colorado, Wyoming, Nevada and California.
