# Winter Resort Travel

Plan now for a visit this winter to some of the out-of-door resort regions of the West and South.

Live in the open. Play golf, tennis, polo. Sail, bathe in the surf, fish, motor, ride horseback—or just rest.

See the natural wonders of those National Parks which are open for winter visitors.

LET THE BUREAU OF SERVICE, NATIONAL PARKS AND MONUMENTS, HELP PLAN YOUR TRIP. This Bureau is a part of the United States Railroad Administration, and its facilities are provided without expense to you. On request it will furnish complete information about these and other National winter playgrounds—what may be seen there, the accommodations and cost.

Or ask the local agent, or apply to the nearest Consolidated Ticket Office.

Bureau of Service, National Parks and Monuments,  
646 Transportation Bldg., Chicago, Ill.

# INFORMATION

## CRITICISM AND COMMENDATION OF THE RAILWAY SERVICE AND SUGGESTIONS FOR ITS IMPROVEMENT ARE IN- VITED BY UNITED STATES RAILROAD AD- MINISTRATION FROM THE PUBLIC

The Railroad Administration is being conducted with these principles in view:

Fidelity to the public interest, a square deal for labor with not only an ungrudging, but a sincere and cordial recognition of its partnership in the railroad enterprise, and fair treatment for the owners of railroad property and for those with whom the railroads have business dealings.

Recognition of these principles should go far to promote mutual understanding.

Information and suggestions tending to further such an understanding and improve service to the public, are welcome. It is requested that all communications be brief and explicit, and that where it is necessary to fix responsibility, the date, time, train number and name of the railroad and employe complained of or commended shall be given. All communications must bear the name and address of the writer distinctly written.

Address:

Walker D. Hines, Director General of Railroads,  
Bureau for Suggestions and Complaints,  
WASHINGTON, D. C.

National Travelers' Aid Society has representatives at many of the larger stations, for the purpose of relieving distress and assisting the unprotected. Those in need of such service should inquire of the station force for a National Travelers' Aid Society worker.

## Information for Homeseekers

The United States Railroad Administration has established a Homeseekers' Bureau, to furnish free information about opportunities in the several States to those who wish to engage in farming, stock raising and kindred pursuits.

If this appeals to YOU, write to-day, letting us know what kind of data you want, and naming the State, the advantages of which you desire to investigate.

Address the undersigned, or, if more convenient, communicate with the Agricultural agent of any railroad in the territory in which you are interested. The information thus furnished can be depended upon as being reliable.

J. L. EDWARDS, Manager, Room 209, Agricultural Section, U. S. Railroad Administration, Washington, D. C.

## Tickets Must Be Used Within Limit

Local one-way tickets will be honored only for continuous passage to destination, commencing within one day from date of sale. Passengers holding Interline Tickets must reach destination not later than midnight of date punched in margin or indicated on stopover poster.
