Form 1

All information contained in this folder is subject to change without notice. In time tables where stations are in middle column and time on both sides, read the figures down on the left and up on the right. These tables show the time trains should arrive at and depart from the several stations, and connect with other trains, but their departure, arrival or connection at the time stated is not guaranteed. The time of connecting lines is published for the information of passengers, and every care is taken to keep it correct, but this company does not hold itself responsible for any errors or omissions therein. Where no time is shown, trains do not stop. Note all reference marks very carefully. Time from 12.01 midnight to 12.00 noon is shown by LIGHT faced figures, and time from 12.01 noon to 12.00 midnight by DARK faced figures.

Winter Resort Travel

Plan now for a visit this winter to some of the out-of-door resort regions of the West and South.

Live in the open. Play golf, tennis, polo. Sail, bathe in the surf, fish, motor, ride horseback—or just rest.

See the natural wonders of those National Parks which are open for winter visitors.

LET THE BUREAU OF SERVICE, NATIONAL PARKS AND MONUMENTS, HELP PLAN YOUR TRIP. This Bureau is a part of the United States Railroad Administration, and its facilities are provided without expense to you. On request it will furnish complete information about these and other National winter playgrounds—what may be seen there, the accommodations and cost.

Or ask the local agent, or apply to the nearest Consolidated Ticket Office.
