

Union Pacific SPOT-IT Book  
Spokane Washington 1974

SPECIAL SPOT NUMBERS

The last two digits of a "SPOT-IT" number may convey a special meaning, specifics listed below:

90 - Indicates a team track  
and is spotted accordingly

Example: 011290, Zone 01 -  
Track 12 - Spot 90

99 - Indicates an end of track  
or bumper.

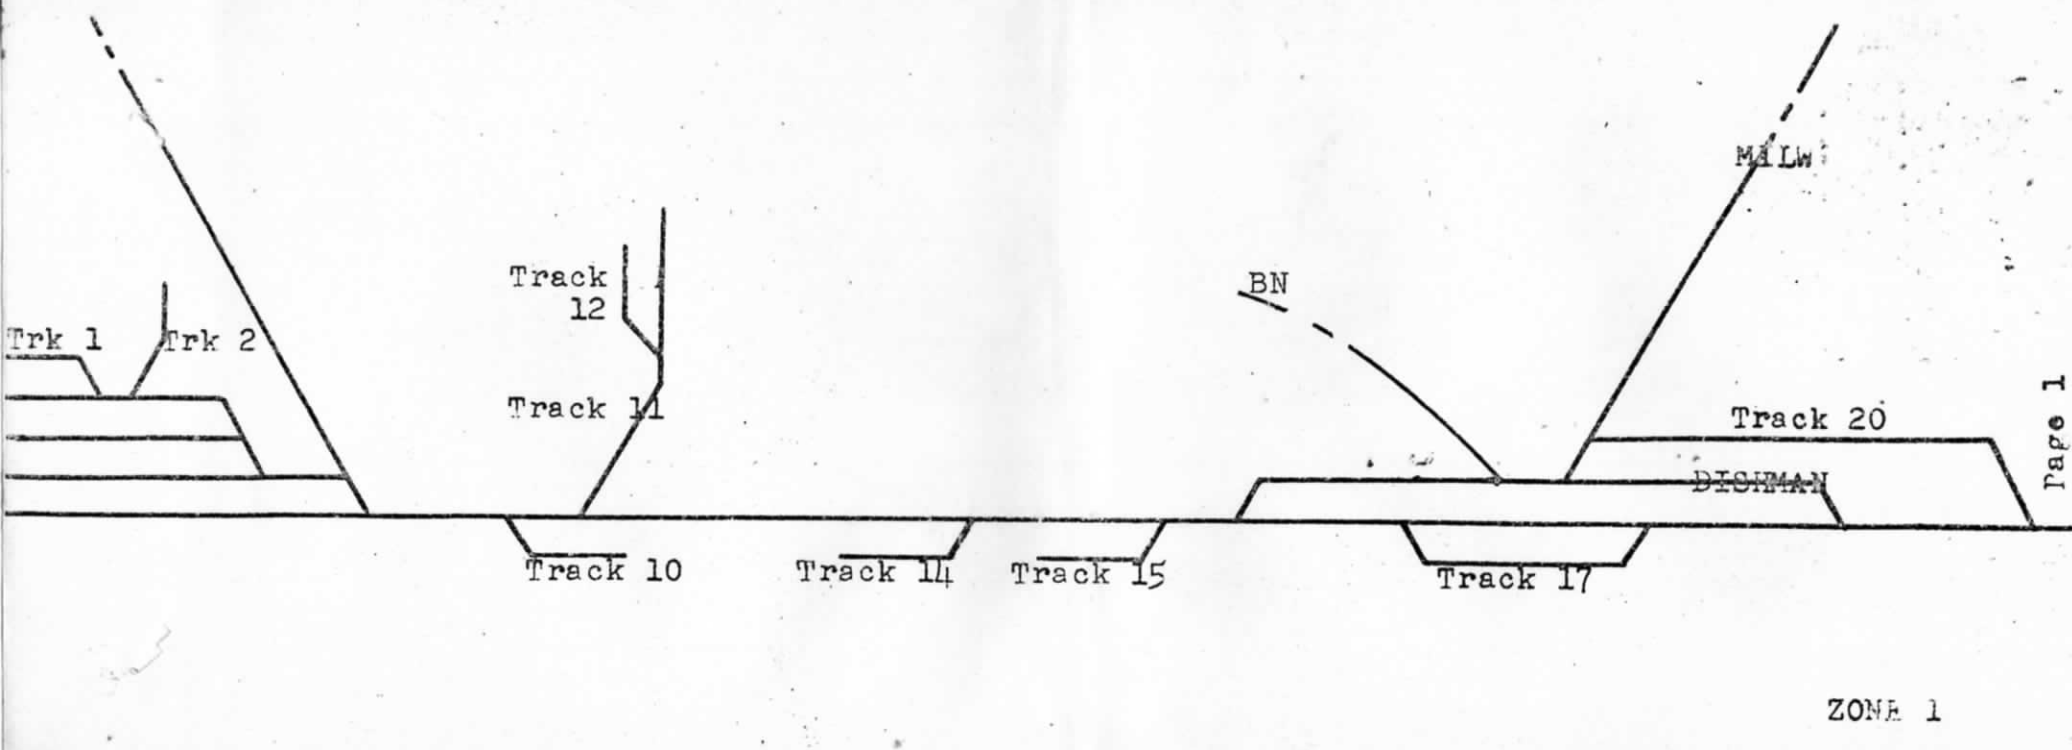

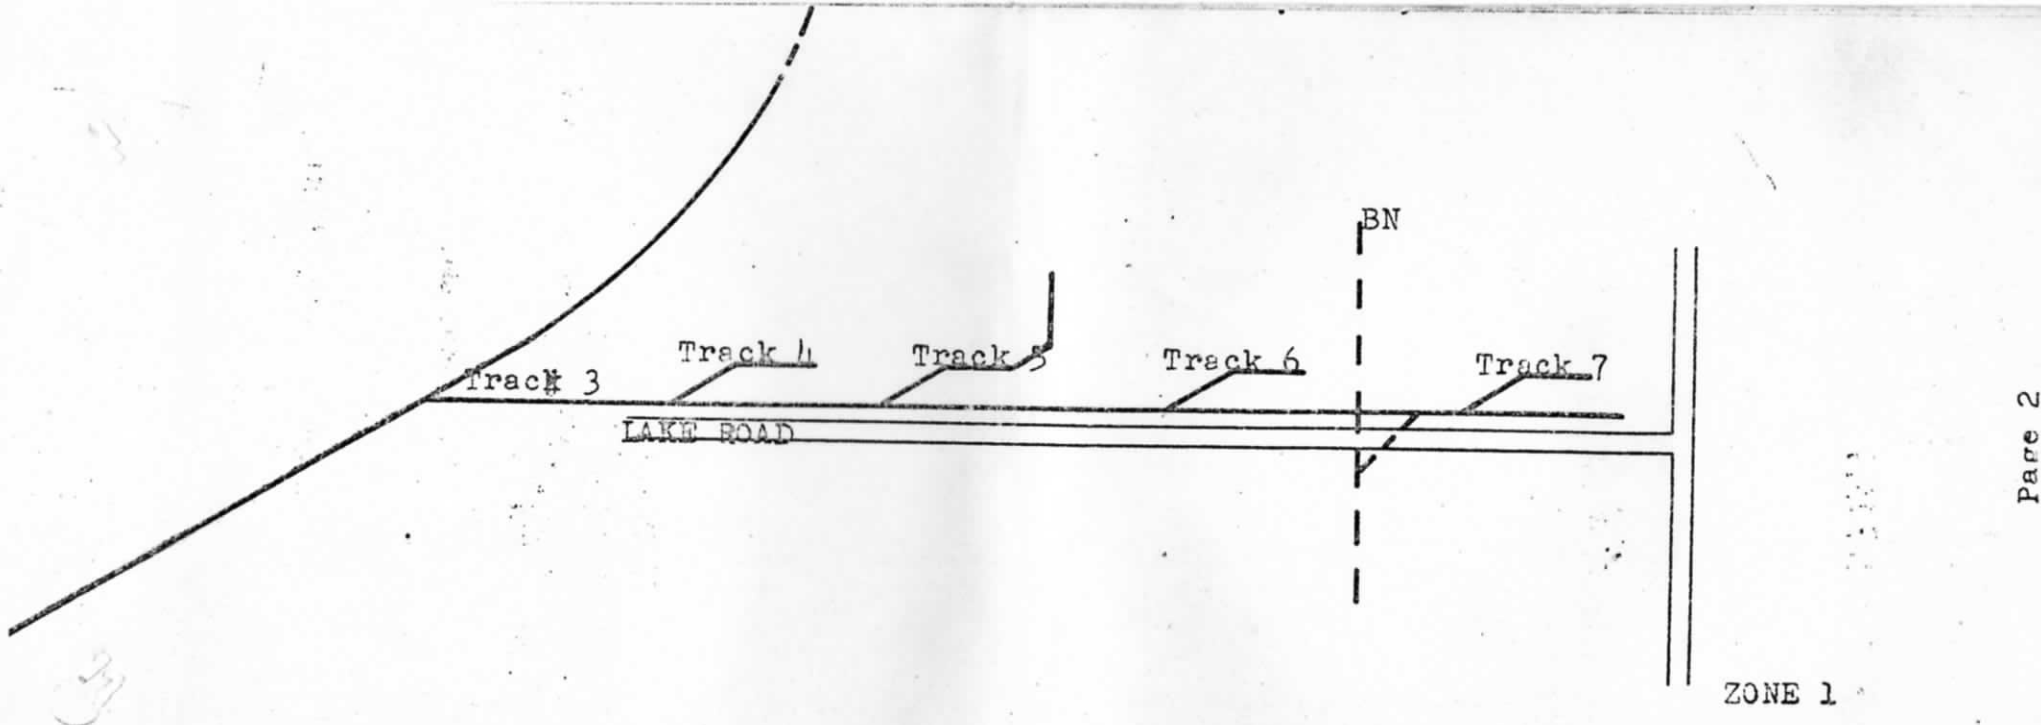

Example: 012399, Zone 01 -  
Track 23 - Spot 99

00 - Indicates a spot between  
the switch and the first  
spot sign.

Example: 012500, Zone 01 -  
Track 25 - Spot 00

NOTE: When a car cannot be spotted according to the switch list and is left off spot, or stored, either on the track it was assigned or another track, the actual zone, track and spot where the car was left will be indicated on the returned list.

Example: 012223, Zone 01 -  
Track 22 - Spot 23
