# CRUISE PROGRAM 1966

## PLAN NOW FOR A DELIGHTFUL CHESSIE CRUISE ON LAKE MICHIGAN . . .

**What is a Chessie Cruise?** It's a round trip on board a C&O ship across Lake Michigan. It's an ideal way to spend a weekend or a day of vacation, a way to beat the heat, and the answer to that promise to take the family or group on a trip that's different.

**How to go about it?** Drive to the C&O dock at Milwaukee, Manitowoc or Ludington where there's plenty of free parking. Board your C&O ship for the Chessie Cruise. On the ship there are excellent meals, lots of deck room to roam, or just relaxing to do in the lounge or on a deck chair outside in the sun. No reservations necessary unless you want one of the comfortable staterooms which are available at a small extra charge.

**When can we leave?** There's a selection of convenient departures, listed in this folder. From Milwaukee, three cruises leave daily, from Ludington there are five and from Manitowoc, two. Cruises operate from May 1 through October 1.

**How much does it cost?** Surprisingly little. \$9.95 will get you across the lake and back with two meals into the bargain. Children between 5 and 15 pay only \$4.95, including meals. Youngsters under 5, passage free.
