Notice to Our Suburban Patrons

This timetable shows the time at which trains carrying suburban passengers are scheduled to arrive at and depart from stations, but the company will not be responsible for consequences arising from delays or from errors in these printed schedules, which are subject to change without notice.

The nature of our business makes necessary the regulation that conductors receive proper fare or other evidence of transportation from every passenger on the train. The statutes make it a legal obligation upon the railroad to collect and the passenger to pay lawful fare in every case and penalties are provided for any failure.

FARES ON TRAIN

Passengers are respectfully requested to purchase tickets before boarding trains, at stations where those facilities are provided. Tariff on file with the Illinois Commerce Commission provides that when fare is paid on train from a station open for the sale of tickets, a penalty of 10c will be charged.

FORGOTTEN MONTHLY TICKETS

Realising that a daily commuter may occasionally forget his monthly ticket, an arrangement is in effect whereby a cash fare paid for such trip will be refunded in lieu of a ride from the monthly ticket. Conductors are required to collect proper fare in absence of ticket.

EXPIRED TICKETS

The tariffs on file with the Illinois Commerce Commission provide a specific expiration limit for all tickets and in the case of 10 and 25 ride tickets, this is one year from date of sale. Expired tickets may not lawfully be accepted for transportation and conductors are required to collect proper fare. Partly used tickets are redeemed at the difference between the purchase price and the lawful fare for the portion used.

MOTOR COACH COMMUTATION TICKETS

Chicago Motor Coach Company 10-ride and 25-ride tickets good between Chicago Union Station and stops in the area bounded by Lake Michigan, Western Avenue, North Avenue, and Cermak Road, are on sale at Burlington suburban stations, and the Chicago Union Station.

The 10-ride Motor Coach ticket costs $1.00; 25-ride ticket, $2.50; a saving of 3c per ride. Motor Coach commutation tickets will be sold only to holders of Burlington 10-ride, 25-ride, 46-ride, 54-ride or 60-ride tickets. Additional Motor Coach tickets may be purchased in connection with 25-ride, 46-ride, 54-ride or 60-ride tickets up to the number of rides on the rail ticket.

FEET ON SEATS

Out of consideration for other passengers, and to avoid soiling clothing, passengers are requested to refrain from placing feet on seats.
