Rules and Regulations

Commutation Tickets will be furnished on application at the Regular Ticket Offices of this Company.

No return of any portion of the fare received for these tickets will be made in case the holder loses the same, and duplicate tickets will positively not be issued in lieu of lost tickets.

No return of any portion of fares received for these tickets will be made in lieu of other passage money paid to agents or conductors on account of failure of passengers to present tickets to cover the rides in question.

They are subject to all the rules and regulations of the Company, and passengers are allowed to transport on same, usual, or ordinary personal baggage, to the extent of 150 pounds.

REGULAR MONTHLY TICKETS will be valid for SIXTY RIDES between the stations, and during the month named on face of ticket, only upon presentation to the Conductor each trip, by the person named thereon. If offered by any other person will be forfeited and taken up by the Conductor.

Holders of these Commutation Tickets are privileged to ride as many times as they desire on any day or days of the month and year for which issued, but the total number of rides will be limited to 60.

These tickets are good for continuous passage only, and on such trains as are scheduled to stop regularly at the stations named thereon.

TEN-TRIP TICKETS will be issued at fares named above for same; they will be limited to one year from date of sale, and will be honored for the passage of the person or persons by whom presented.

FIFTY-TRIP FAMILY TICKETS will be issued at fares named above for same. They will be limited to one year from date of sale, and will be honored for the passage of purchaser, or a member of, a visitor to, or a servant in, his or her family.

FORTY-SIX TRIP MONTHLY SCHOOL TICKETS, good only for a calendar month, will be issued at fares named above for same for the individual use of teachers, and pupils not over 21 years of age in regular attendance at any public or private school, academy or college, upon presentation, each month, of certificate properly filled up, giving name of person who is to use it and bearing personal signature of principal or head master certifying that applicant is taking an English or classical course. Certificates must be attached to current monthly ticket report to Auditor of Freight and Ticket Accounts as authority for the sale. No school ticket will be issued for any less than 46 rides during a calendar month.

SCHOOL TICKETS will not be sold to persons attending musical, dancing, riding, dress-making, type-writing, stenographic or schools of similar character, nor to apprentices, pupils or students of any industry, art or profession, nor to any one engaged in a remunerative occupation.

ROUND TRIP TICKETS for which fares are quoted herein are good for continuous passage only in each direction, and limited, going, to one day from date of sale, and for return to thirty days from date of sale, as stamped on back.

Regular Round Trip Tickets are sold to children between five and twelve years of age at one-half the Round Trip Fares named in this folder.

When the half fare divides unevenly, add enough to make such half fare end in the next highest "0 or 5"; for example, where the whole trip fare is $1.25, the half would be 65 cents.
