How to read this timetable in 4 easy steps.

1. Using the map.

To find the page number of the schedule for the route you will be taking, simply locate the route line on the map on Page 1. Then, turn to the page number indicated by the circled number on the route line.

For example, if you plan to travel from Chicago to Detroit, a glance at the map indicates this service is shown on Page 8.

You may also check the alphabetical list of passenger stations on Pages 4 and 5 for the page number of the appropriate schedule for your destination.

2. Coming and going.

On some schedules, the list of cities served is in the center of the table, with service in one direction shown on the left and service in the other direction shown on the right. To use these schedules, read down the list of cities until you find your starting point. Then read up or down to locate your destination.

If your destination is listed *below* your starting point, then *read down* the left-hand column for departure (dp) and arrival (ar) times. If your destination is listed *above* your starting point, then *read up* the right-hand column for departure (dp) and arrival (ar) times.

On other schedules, service in one direction is shown in one table and service in the opposite direction in an adjacent table. To use these schedules, locate the table for the direction in which you wish to travel, then read down from your starting point to your destination.

3. Check these important points.

- **Frequency of Operation.** Whether you are reading up or down, the frequency of departure for every train is shown right below the train name. In most instances you will see this service is daily. But when trains depart or arrive only on given days of the week, it will be indicated in this same space.
- **Reference Marks.** There is a reason for each symbol, letter, circled letter, and circled number that appears in this timetable. Each reference mark is explained on Page 14 of this timetable. If you encounter a symbol, be sure to check the explanation. This information could affect your travel plans!
- **Helpful Information.** Italicized cities and points of interest following station names in schedule columns indicate that the station is a *gateway* to these areas. These points may be a number of miles from the station, but rental autos or public transportation are usually available.

4. Fares, reservations, and equipment.

Near some schedules is a listing of the services offered on that train including whether coach seating is reserved or unreserved. (All first-class accommodations require reservations.)

On Page 15 are samples of representative fares.

If you still have any questions about fares or reservations, call your authorized Amtrak Travel Agent or your local Amtrak number listed in this timetable.

NATIONAL RAILROAD PASSENGER CORPORATION

955 L'Enfant Plaza North, S.W.
Washington, D.C. 20024
Paul H. Reistrup, President

Dear Passenger:

I'd like to personally thank you for traveling Amtrak. Your patronage is helping us to realize our foremost goal: the complete revitalization of American rail passenger service.

Last year alone, we overhauled 490 cars, introduced 4 new Turboliners, 6 electric and 16 diesel-electric locomotives, and began operating our new, advanced Amfleet trains between Boston and Washington, D.C. We also added five new routes, broadening the Amtrak system to 26,000 miles of track and 484 stations served.

Many of our stations needed updating, so we've undertaken a full-scale renovation program and we're building new stations in many localities. We are also in the midst of a massive track improvement program and a continuing search for new ways to serve American rail passengers.

In short, we are making great progress in our attempt to revitalize rail passenger service in the U.S., and your ridership is helping make it possible. Thank you again for traveling Amtrak.

Cordially,

Paul H. Reistrup

TRAVELING BY TRAIN . . .
. . . THINGS YOU SHOULD KNOW

ABOUT RESERVATIONS — Reservations for all first-class and Slumbercoach accommodations are mandatory. Reservations for coach travel are mandatory on all *Metroliners*, and on all trains indicated in this timetable as "All-Reserved" trains. Coach reservations are available on certain other trains as shown in the Services listings. If you have made reservations and your travel plans change, please cancel them as soon as possible. A service charge will be assessed if reservations are cancelled less than 30 minutes prior to scheduled train departure, or if not cancelled.

CHECKING OF BAGGAGE — When checked baggage service is available, only baggage needed enroute and NOT MORE THAN TWO (2) PIECES PER PASSENGER may be carried on board. All other baggage should be checked. There is no service charge. Checked baggage will be accepted for checking up to 30 minutes before train departure time and at destination the baggage will be ready for claiming within 30 minutes after train arrival.

SMOKING — Amtrak wants to make your trip a pleasant one. Because we are concerned about your traveling comfort — and in view of the increased public awareness of smoking and the strong views held by our passengers — we have designated certain NO SMOKING areas. Consequently, smoking WILL be permitted in lounge cars and sleeping cars. Smoking will NOT be permitted in dining cars, and in coaches except in areas specifically set aside and identified for smoking in the body of certain coaches and areas such as coach-lounge, bar, grill, and restroom areas. If you smoke, as many still do, it is easy to forget how sensitive non-smokers can be to tobacco smoke. Please smoke in designated smoking areas only. Thank you for your cooperation.

HANDICAPPED — Amtrak provides special assistance to handicapped passengers. When making reservations, please advise Amtrak of your special needs. The ticket or reservation clerk will gladly advise you of the services we have available.

CUSTOMS AND IMMIGRATION —

CANADA — U.S. citizens crossing the Canadian border are not required to have passports; however, to assist officers of both nations to speed the inspection, you should carry identification papers. If you take foreign-made articles across either border, such as cameras, jewelry or furs, you should have responsible proof of prior possession, as they are dutiable each time they are brought into the U.S. unless you have this media. A returning resident of the U.S. is granted a $100 exemption based on the fair retail value of each item where acqured. Alcoholic beverages in excess of one quart limitation are subject to duty and internal revenue tax. If your stay in Canada is less than 48 hours, you are only entitled to a $10 exemption.

MEXICO — U.S. citizens visiting Mexico are required to obtain a tourist card which can be secured at any Mexican consulate in the United States or from a Mexican immigration officer at the international border. Birth certificate, voter's registration certificate, or a sworn affidavit are necessary to prove American citizenship. A returning resident of the U.S. is granted the same $100 exemption as when returning from Canada; however, the 48 hour provision does not apply. The U.S. Customs Service of the Treasury Department is tightening its enforcement procedures and increasing the incidence of its examinations in order to combat alleged trafficking in narcotics, marijuana, and dangerous drugs, and to apprehend smugglers. The support of all persons of goodwill is essential if this effort is to succeed.

PETS ON TRAINS — Dogs, cats and other domestic animals will be accommodated ONLY on Amtrak trains that provide baggage car service and ONLY if pets are in closed, secure, well-ventilated containers. Pets WILL NOT be permitted in any passenger areas of the train (except that guide dogs accompanying blind passengers will be allowed in any type of accommodation on all trains). Consult agent for full information.

ADEQUACY OF SERVICE — If you have any questions or difficulties with your accommodations or service, please see one of our Amtrak representatives or your conductor. If he is unable to fully meet your needs, special passenger response forms have been provided by Amtrak in order that passengers may file written complaints upon which Amtrak may take further action. These forms may be obtained upon request from members of the train crew or from Amtrak station personnel. Passengers should forward the original copy of a complaint form to: Adequacy of Service Bureau, Amtrak, 955 L'Enfant Plaza North, S.W., Washington, DC 20024. A copy should be forwarded to the Interstate Commerce Commission.

LOST, STOLEN OR DESTROYED TICKETS — Amtrak is not liable for lost, stolen or destroyed tickets. Refunds will not be authorized.

NOTICE — The National Railroad Passenger Corporation (AMTRAK) cannot assume responsibility for inconvenience, expense or damage resulting from errors in timetables, delayed trains, failure to make connections, or for changes in or shortage of equipment. The schedules, services and fares shown in this timetable are subject to change without notice.

Amtrak's

U.S.A.RAIL PASS

the more you use it, the more it's worth.

Amtrak's U.S.A.RAIL PASS. There's never been anything like it for travel in the U.S.A. It gives you unlimited coach rail travel on 26,000 miles of Amtrak and Southern Railway lines—all for a fixed price: $250 for a 14-day PASS, $325 for 21 days, only $400 for 30 days. Unlike any travel ticket, you can use the PASS one time or 101 times and the price stays the same. So the more you travel, the more valuable it becomes.

For full details, contact an Amtrak ticket agent or your travel agent.

Amtrak U.S.A.RAIL PASS

TRAVEL MUST BEGIN WITHIN 15 DAYS FROM DATE OF SALE

AMTRAK'S CHICAGO SERVICE AT A GLANCE

Take a carefree trip to Florida or Texas. Get a car free when you arrive.

An Amtrak Week of Wheels is the money-saving way to vacation in Florida or Texas. For the low cost of your Week of Wheels fare, you'll enjoy a relaxing, scenic round trip. And when you arrive, you'll have an air-conditioned, unlimited-mileage rental car at your disposal for a full week. Depending on how many Week of Wheels full fares you purchase, you may get your rental car free of charge. You simply pay for gas and taxes. What's more, you can purchase Week of Wheels tickets on a regular coach fare basis, or on our economical Family Plan.

Week of Wheels, Florida

Week of Wheels round-trip coach fare is $152.00 from New York . . . $156.00 from Chicago. Purchase three full fares (for either three adults or two adults and two children) and get the free use of a Plymouth Duster (or similar) with unlimited mileage for a full week. Pick up your car at any of five points in Florida.

Week of Wheels, Texas

Week of Wheels round trip coach fare is $150.00 from Chicago. Four full fares entitle you to the use of an air-conditioned compact car, with unlimited mileage, for seven days. Simply pay for gas and taxes. Pick up your car in San Antonio, Houston, Dallas or Laredo.

If you buy fewer than three full fares to Florida, or four to Texas, you still get a car. You just pay a slight rental charge based on the number of fares paid. Interested? For more information, contact an Amtrak Ticket Agent or your travel agent.
