TRAVELING BY TRAIN . . .
. . . THINGS YOU SHOULD KNOW

ABOUT RESERVATIONS — Reservations for all first-class and Slumbercoach accommodations are mandatory. Reservations for coach travel are mandatory on all *Metroliners*, and on all trains indicated in this timetable as "All-Reserved" trains. Coach reservations are available on certain other trains where designated. If you have made reservations and your travel plans change, please cancel them as soon as possible. A service charge will be assessed if reservations are cancelled less than 30 minutes prior to scheduled train departure, or if not cancelled.

SMOKING — Amtrak wants to make your trip a pleasant one. Because we are concerned about your traveling comfort — and in view of the increased public awareness of smoking and the strong views held by our passengers—we have designated certain NO SMOKING areas. Consequently, smoking WILL be permitted in lounge cars and sleeping cars. Smoking will NOT be permitted in dining cars, and in coaches except in areas specifically set aside and identified for smoking in the body of certain coaches and areas such as coach-lounge, bar, grill, and restroom areas. If you smoke, as many still do, it is easy to forget how sensitive non-smokers can be to tobacco smoke. Please smoke in designated smoking areas only. Thank you for your cooperation.

CHECKING OF BAGGAGE — When checked baggage service is available, only baggage needed enroute and NOT MORE THAN TWO (2) PIECES PER PASSENGER may be carried on board. All other baggage should be checked. There is no service charge. Checked baggage will be accepted for checking up to 30 minutes before train departure time and at destination the baggage will be ready for claiming within 30 minutes after train arrival.

TRANSPORTATION OF PETS — Dogs, cats and other domestic animals will be accommodated ONLY on Amtrak trains that provide baggage car service and ONLY if pets are in closed, secure, well-ventilated containers. Pets WILL NOT be permitted in any passenger areas of the train (except that guide dogs accompanying blind passengers will be allowed in any type of accommodations on all trains). Consult agent for full information.

CREDIT CARDS — Amtrak accepts American Express, BankAmericard, Carte Blanche, C&S, Diners Club, Eurocard and Master Charge for the purchase of tickets at all Amtrak ticket offices and for the purchase of meals aboard *Amclub* cars and long-haul dining cars. Amtrak tours can also be charged on these credit cards.

LOST, STOLEN OR DESTROYED TICKETS — Amtrak is not liable for lost, stolen or destroyed tickets. Refunds will not be authorized.

CUSTOMS AND IMMIGRATION —

CANADA — U.S. citizens crossing the Canadian border are not required to have passports; however, to assist officers of both nations to speed the inspection, you should carry identification papers. If you take foreign-made articles across either border, such as cameras, jewelry or furs, you should have responsible proof of prior possession, as they are dutiable each time they are brought into the U.S. unless you have this media. A returning resident of the U.S. is granted a $100 exemption based on the fair retail value of each item where acquired. Alcoholic beverages in excess of one quart limitation are subject to duty and internal revenue tax. If your stay in Canada is less than 48 hours, you are only entitled to a $10 exemption.

MEXICO — U.S. citizens visting Mexico are required to obtain a tourist card which can be secured at any Mexican consulate in the United States or from a Mexican immigration officer at the international border. Birth certificate, voter's registration certificate, or a sworn affidavit are necessary to prove American citizenship. A returning resident of the U.S. is granted the same $100 exemption as when returning from Canada; however, the 48 hour provision does not apply. The U.S. Customs Service of the Treasury Department is tightening its enforcement procedures and increasing the incidence of its examinations in order to combat alleged trafficking in narcotics, marijuana, and dangerous drugs, and to apprehend smugglers. The support of all persons of goodwill is essential if this effort is to succeed.

AGRICULTURAL QUARANTINE — Federal quarantines do not permit bringing certain foods, plants, and plant or animal products into the United States from Canada or Mexico. For a list of permitted and prohibited items, obtain a free copy of "Travelers' Tips" from your nearest Plant Protection and Quarantine office, or write to: "Travelers' Tips," U.S. Department of Agriculture, Washington, DC 20250.

CHILDREN'S FARES — Children 2 years of age and under 12 are charged one-half the adult fare (or family plan fare if applicable). One child under 2 years of age not occupying a separate seat or accommodation may travel free with each person 12 years of age or over. Children under 2 in excess of this number are charged the fare for children 2 years of age and under 12 (family plan fare if applicable).

UNACCOMPANIED CHILDREN — Unaccompanied children 8 through 11 years of age may travel on Amtrak trains under certain conditions; however, full adult fares will be charged. Children under 8 years of age are not permitted to travel unaccompanied. Consult agent for further information.
