ACROSS CANADA ON

The Canadian

The only stainless steel, Scenic Dome streamliner cruising between Vancouver, Toronto and Montreal, both ways, every day, is THE CANADIAN. It's the unique way to KNOW CANADA BETTER.

Canadian Pacific's fabulous Scenic Dome train, THE CANADIAN, provides two dome cars, an elegant dining car and a Skyline Coffee Shop for quick snacks. Two lounges for relaxing. Soft music and wide choice of first-class accommodation; berths, roomettes, bedrooms, compartments and drawing rooms. The reclining coach seats with full-length leg rests are a Canadian Pacific exclusive.

For added interest — there's the chance to acquire a fresh new view of the country along the most picturesque route of all — the Lake Louise-Banff route through the Canadian Rockies. To pleasure, comfort and excitement add the lower FARESAVER PLAN fares . . . They make THE CANADIAN the ideal way to travel.
