NOTES.

Application of Export Rates.

Note 34.—Export rates named herein from Baltimore, Md., will apply on property for export to all destinations not located in:

The Continental United States of America (including Alaska)

Dominion of Canada

Island of Miquelon and St. Pierre (Note)

Newfoundland (Note)

Note.—Export rates and rules shall apply to these points to the extent they are presently provided for on specific commodities as provided in the individual tariffs applicable thereto.

when exported direct from port stations named in this tariff or as amended, and will only apply, except as otherwise provided herein, on traffic which does not leave possession of the carrier, and is delivered by the Atlantic Port Terminal carriers direct to the steamer or steamer's dock upon arrival at the port or after storage or transit has been accorded by the carriers under tariffs which permit the application of the export rates, and also on traffic delivered to the party entitled to receive it at the carrier's seaboard stations to which export rates apply, which traffic is handled direct from carrier's stations to steamship docks and on which required proof of exportation is given (see Exception).

All shipments consigned in bills of lading for export to points covered herein are to be waybilled at the export rates named herein. Shipments not consigned in shipping orders or bills of lading for export, which are ordered for export after arrival at seaboard or outer holding yard or yards will be subject to the rates, rules and regulations applicable to export traffic, or the same as would have applied had the shipment been originally consigned for export, so long as the property has not passed from the possession of the carrier, subject to the reconsigning charge or other provisions as published in tariffs lawfully on file with the Interstate Commerce Commission.

Export rates applicable on shipments exported direct from railroad terminals will apply on shipments consigned in bills of lading for export, handled through United States Naval Shipyards, Naval Bases, Army Bases or Air Force Bases or delivered to the United States Government vessels docked thereat on presentation of proper evidence of exportation.

EXCEPTION.

The rates named herein to Baltimore, Md., on export property will apply only on shipments delivered directly from railroad owned piers or piers leased to and operated by the railroad company at Baltimore, Md., except as otherwise authorized in tariffs on file with the Interstate Commerce Commission in connection with separate deliveries of export shipments.
