*Greyhound offers more  
in service and saving!*

**"I want to go places...  
see things... enjoy life"**

"Frankly, I'm out for a grand vacation—and to me that means a Greyhound trip. The agent helped me plan it all, pointing out places of special interest seen only by motor coach—suggesting a wide choice of routes and restful stopovers. Best of all, I'm saving lots of extra dollars for smart new clothes and thrilling new places to wear them. I can even go one way and return a different route at a bargain round-trip rate... meeting more people, seeing more of America."

**"I have to save time  
and money on  
business trips"**

"Sure, I enjoy sightseeing on a Greyhound trip, but it's 'business first' when I'm on the road. And that's where Greyhound fits into the picture... and into my expense account! Fares are only one-third the cost of driving my car, far less than for any other transportation. Thanks to frequent schedules I can cover the crossroads towns as conveniently as the big cities in my territory. That means extra hours saved... and time is money in my business."
