HERE'S HOW SIMPLE AND CONVENIENT THE NEW ZONE SYSTEM IS!

Zone Fares will become effective November 11, 1957.

Monthly commutation tickets for the month of November will be honored and handled as usual to the end of the month.

Weekly, 20-Ride Family, One Way and Round Trip single ride tickets purchased on or after November 11, 1957, will be new Zone Fare tickets. (See illustrations on back of this folder.)

During the balance of November all tickets, both old style and new Zone Fare tickets, will be punched as required and "hat-checks" issued.

We are installing ticket holders and additional "hat-check" clips in seat-backs which will be for your use in displaying your ticket starting December 1, 1957.

On and after December 1, all you need do is remember these three simple steps:

1 DISPLAY YOUR TICKET AS SOON AS YOU TAKE YOUR SEAT.

Lower deck seats in double-deck cars, and seats in single-deck cars . . . use "hat-check" clips at top of seat-back in front of you.

Upper deck seats in double-deck cars . . . use the plastic ticket holder on panel above center aisle beside your seat.

End seats on lower deck of double-deck and single-deck cars . . . use clips on wall above heads and on side wall above window.

2 LEAVE YOUR TICKET ON DISPLAY ALL THE TIME YOU ARE RIDING SO CONDUCTOR MAY SEE IT WHEN CHECKING TRAIN.

3 TAKE YOUR TICKET WHEN YOU LEAVE.

Please print your name, address and telephone number on the back of your ticket as soon as you buy it to protect yourself in case ticket is mislaid.
