IN THE POCONOS

JUST imagine yourself there . . . drifting lazily downstream . . . breathing in the refreshing fragrance of the pine-scented mountain air . . . while soft woodland breezes blow city worries far away. Like to be there? You can, tonight if you wish, for this lovely spot is less than three hours from New York in the heart of Pennsylvania's Picturesque Playground—the Pocono Mountains. You could travel a thousand miles and not find a vacation land like this . . . where you can play golf, swim, hike, ride or fish, and come back to a comfortable hotel every night.

Send three cents in stamps for the vacation booklet, "Mountain and Lake Resorts," to R. F. Irwin, Advertising Agent, 140 Cedar Street, New York City.
