

NOW THERE ARE TWO GOOD REASONS TO VISIT THE AUTOMATIC BUFFET CAR

FOR FOOD. The Automatic Buffet Car on this train is a convenient way to enjoy a snack or light meal whenever you feel like it. Food and beverage items are dispensed from self-service vending machines. There are dining tables in the car or you may take your meal back to your seat on a tray. An attendant will be on hand to make change and assist you in any way that he can. Please see reverse side for menu.

FOR BEVERAGE SERVICE. A representative selection of quality beverages—including soft drinks—is now available for your enjoyment in the Automatic Buffet Car. Beverage service subject to suspension during busy meal periods.
