Commuter Passenger Service shown in this timetable is operated by the Boston & Maine Corporation under contract with the Massachusetts Bay Transportation Authority. Your patronage is appreciated.

The Authority is not responsible for errors in published schedules nor any inconvenience resulting from delayed trains, failure to make connecting trains or shortage of equipment due to unusual passenger travel.

Schedules are subject to change without notice.

TICKET INFO:

Commuter Rail patrons have several ticket options from which to choose. Monthly passes and most types of tickets are available at our 37 outlets; passes and all types of tickets are sold at North and South Stations. Although tickets may be purchased on the train, a 25¢ surcharge is added to on-train purchases when tickets are available at the boarding station.

Below is a list of four types of tickets available.

- **Monthly Pass** – Monthly passes allow patrons unlimited travel within their pass category. Each pass is marked with the month it is valid and the number of zones that may be traveled. Passholders may transfer free to all MBTA rapid transit and bus lines and may ride free with one guest on Sundays.

Passholders are entitled to auto insurance discounts and many other money saving benefits.

Commuter rail passes go on sale the 20th of each month. (Passes are also available at Washington St. Station during last four and first two working days of the month.)

- **One-Way Fares** – One-way fares are issued to passengers age 12 and over. (Children age 5–11 travel for half-fare, while those under five ride for free.) Tickets are good for one trip to or from Boston and are valid for one year.

- **Twelve-Ride Fares** – The twelve-ride ticket is issued to passengers age 12 and over. The price is based on the zone where the boarding takes place and tickets are valid for sixty (60) days.

- **Intermediate Fare** – A forty-six ride intermediate ticket is issued to patrons 12 and older who travel between any two zones but not to or from Boston. The cost of the book is based on the number of zones traveled and it is valid for the month issued.

Individual one-ride intermediate fares may only be purchased on the train.

SPECIAL FARES

Senior Citizens – Senior Citizens (65 or older) who present an MBTA Senior Citizens Photo Identification card, driver's license, Medicare/Medicaid or Council on Aging card are eligible for a half-price fare. Valid anytime.

Special Needs – A half-price fare is available to persons who present an MBTA Special Needs Photo ID card. Valid on non-rush hour trains (shown as non-shaded areas on the schedule) and anytime on weekends.

Blind patrons may ride free at all times. An identification card is available from the Mass. Commission on the Blind.

(MBTA Senior Citizens and Special Needs Photo ID cards may be purchased for 50 cents each at downtown Boston's Washington Street Concourse, M–F, from 9 a.m.–12 noon and 1–3:30 p.m.)

Students – A half-price fare for students in grades K–12, valid until 5 p.m. on days when school is in session. Identification badges may be obtained at individual schools. (For further information, contact your school administration.)

Group Fares – Special group rates are available through the Commuter Revenue Department at 498-9413. Please note that arrangements *must* be made prior to your trip.

BUYING TICKETS & PASSES

Monthly Rail passes and most ticket types are sold at our outlets; passes and tickets of all types are available at North and South Stations in Boston. Tickets may be purchased on the train; however, a 25-cent surcharge is added *when* tickets are available at the boarding station. (This does not apply to intermediate fares.)

Rail passes are also sold at the Washington Street Station Concourse in downtown Boston (Red and Orange Rapid Transit lines) and at the Home Savings Bank in the Back Bay.

To make buying a pass even more convenient, patrons may *charge* their monthly passes on *Mastercard and VISA* at North or South Station. Patrons may also purchase monthly passes, intermediate fares and 12-ride books through the Pass-By-Mail program. Call the Commuter Revenue Department at 498-9480 for more information.

Monthly passes are available through the MBTA Employer Pass Program as well. Ask your employer about offering passes at work, either as a subsidy or through convenient payroll deductions. Call 722-5218 for information.

Passes are sold the 20th through the last working day of the month, and all month at North Station. Remember to buy next month's pass *before* the end of the current month.

Train schedules are available wherever tickets are sold.
