"To Our Patrons:

The Oakland (Broadway Ferry Creek Route) for a number of months, has not earned sufficient revenue to pay expenses. Other ferry routes operating at a profit have made it possible to continue the Broadway Ferry without increasing fares.

The Bay Bridge has changed the situation, and if the Creek Route is to be continued, it will have to earn the cost of operation.

The Railroad Commission has reviewed the entire matter, and after full consideration of all the facts, has authorized increase in one-way fare for passengers to 10c, effective January 1, 1937.

We appreciate your patronage and hope you will find it convenient to continue using the Creek Route Ferry.
