By train is the cheapest way and fastest way on land between San Francisco and Sacramento. Southern Pacific operates more trains and faster trains than any other line.

Next time you go anywhere, take the advice of the canny Scotchman and *try the train*. No other way compares in comfort or safety with riding over smooth steel rails in a spacious Southern Pacific car, with soft cushioned chairs, plenty of leg room, wide aisles, high ceilings, and clean handy wash-rooms. There's no reason to ride less comfortably when these luxuries cost so little.
